ADMINISTRATION

BOARD OF GOVERNORS

Left to right, standing: Mr. W. C. Koerner, Mr. L. J. Ladner, Mr. G. T. Cunningham, Mr. E. M. Gunderson, Mr. J. D. Baldwin, Mr. N. T. Nemetz. Seated: Mr. P. R. Bengough, Mrs F. M. Ross, Dr. A. E. Grauer, Chancellor, Dr. N. A. M. MacKenzie, President, Mr. K. P. Caple, Miss Ethel Tugler, Clerk to the Board.

The University's administrative body, the Board of Governors, manages and controls the major affairs of this university. The men and women bring from their respective fields the knowledge and experience to improve the facilities for higher learning.

PRESIDENT'S MESSAGE

The Totem annually reminds us of the many academic and social events which go to make up life on the Campus, and we are all indebted to the student editors who give so much of their time and energy to producing it. As the years pass, this edition of Totem will take on a new meaning and significance, refreshing memories of old friends, recalling the lecture room, the laboratory, and the playing field. I know that you will have occasion to turn to it again and again in the future, and I hope it will serve as a memento of the happy, profitable and satisfying years you spent at the University of British Columbia.

Norman A. M. MacKenzie

CHANCELLOR'S MESSAGE

The Board of Governors has had another difficult year in providing facilities to keep up with the rapid increase in registration at this University. It has been your privilege to be a student here at a time of growth, change and ferment.

I wonder how many of you realize now that when you look through the Totem in years to come you will be looking at a record of the period of your lives when you could most be yourselves.

From now on, your jobs, your marriages and your responsibilities will impose upon you ways of thinking, of living and of behaving that are intimately concerned with the ways of others, and necessarily so.

It is true that you have responsibilities here at the university, that some of you have jobs here — some of you are even married here! But, in the main, you are a great crowd of individuals: young, vital and given to expressing your individuality! This is of interest to us who work at maintaining this institution; we like to watch you, to guess at how you will measure up to life; we usually can make good guesses by the way you measure up to the challenge of the university.

I hope that each of you, looking back at the freedom and stimulation of these days, will think that they have expanded your view of life and your capabilities for the future.

STUDENT COUNCIL

Secretary Wendy Rosene

The year 1960-61 was to bring about a change in the type of student government. Previously the council was composed of sixteen members elected by the student body. Starting in the fall of 1961 a new type of student government will be implemented. The council will be composed of twenty-three members, made up of six executive members elected by the students, sixteen presidents of the undergraduate faculties and the editor of the Ubysey.

In the final year of the old form of government, the council was concerned with the proposed development of a new student union building and more summer employment opportunities for U.B.C. students.

This year, under the direction of Chris Davies, the U.S.C. handled any business pertaining to undergraduate society affairs. Besides being in charge of Elections, Charities, Blood Drives and Discipline, U.S.C. played an important part this year in a new form of Student Government at U.B.C. called the University Student Activities Committee. The reason U.S.C. was used as a basis for this Committee was because it is the most representative organ of Student Government on this campus.

UNDERGRADUATE SOCIETIES COMMITTEE

ASSOCIATED WOMEN STUDENTS

Left to right: Gail Burt, Barb Bowles, Fran Charkow, Lynn McDonald, Rhonda Hooper.

A.W.S. includes all women students. The council, headed by Fran Charkow and composed of representatives from faculties and women's groups, sponsored many events this year. These included the Big and Little Sister Banquet, Frosh Fashion Show, Sadie Hawkin's Day, Canned Food Drive, Women's Week, and the Open House Fashion Show. The A.W.S.-W.A.A. Banquet was the climax of the year's activities.

FROSH COUNCIL

Left to right: Barry McDell, Bob Foster, Leslie Rae, Doug Draeseki, Diane MacFarlane, Bob McConnell, Janet Owen, Dave Nichols, Ken Burnett, Terry Richmond.

Fun at the Frosh Retreat

Another successful freshman year was achieved under the leadership of Robert McConnell.

The Frosh Retreat was held on the first weekend of October at Camp Elphinstone, where Student Councillors, Faculty members and Frosh discussed University Life, both from an Academic and Social point of view. Due to their enthusiastic spirit, the Frosh were well-known as the energetic class of 1960-61.

NATIONAL FEDERATION OF CANADIAN UNIVERSITY STUDENTS

N.F.C.U.S. is an organization of Canadian universities. At U.B.C., under the chairmanship of John Madden, N.F.C.U.S. looked into the Indian problem, concerned with the reason so few Indian students are at university. On the national level, N.F.C.U.S. entertained four Russian students touring Canada in order to observe university life and education. At the national convention a plan for more bursaries and scholarships was presented and passed.

Back row, left to right: Eric Ricker, Doug Stewart, Bruce Fraser (Treasurer), Peter Haskins, Diane Greenall, Lois Parsons;
Front row: Sonia Stairs, Jeanette James (Secretary), John Madden (Chairman), Hilary Brown, Sandra Scott.

WORLD UNIVERSITY SERVICE COMMITTEE

The World University Service Committee at U.B.C. this year has sponsored five exchange scholarships; two to Germany and one each to Japan, Spain and Nigeria. Last summer, three U.B.C. students attended the International Seminar in Israel, and three will go to Sweden this summer. The local committee has contributed to the International Program of Action to aid students in under-developed countries, the U.B.C. Bursary Fund, Pakistan flood relief, Chilean Disaster Fund, a South Africa scholarship scheme, and a Book Drive for Pakistan and Japan.

Back row, left to right: Mr. Ivan Feltham, Stan Fukawa, Wendy Moir, Theo Carroll, Derek Fraser, Ishrat Hussein, Mike May, Nick Blom, Stu Robson, Dave Gillanders;
Front row: Valerie Capstick, Chairman Ruth Kidd, Judy Jack, Sandra Scott.

HIGH SCHOOL — CONFERENCE COMMITTEE

A record number of delegates attended the Fourteenth Annual High School Conference held at U.B.C. on Feb. 24 and 25, 1961.

The 300 high school students came from all parts of B.C. and the Yukon to participate in panel discussions, attend lectures (for fun!), and tour the campus. The conference was climaxed by a banquet and dance at which the Ubysey award for the best high school paper was presented.

"The object of the Conference," reported Chairman Kyle Mitchell, "is to acquaint every Grade 12 student in the province with the facilities available at U.B.C. The Committee has made every effort to present a true picture of university life."

Left to right: Bill Redmond, Judi Thompson, Kyle Mitchell, Barbara Sue Mitchell, Ed Lavalley, Joan Wellwood, Barry McDell

Ian McKenzie, Brock Proctor.

A. M. S. STAFF

The hard working staff.

Under the competent management of Mr. R. E. Pearson, the A.M.S. Office Staff helps co-ordinate clubs, undergraduate societies and other student activities. Among the many services provided by the smoothly run office are the printing, checking and distribution of the clubs' financial records, mimeographing, selling tickets and the booking of rooms.

Salesman Don MacFarlane watches anxiously as a customer writes a cheque.

COLLEGE SHOP

The College Shop, owned and operated by the Alma Mater Society, and located in the Brock Extension, is managed and staffed by students, and is operated as a student service. Under the management of Barry MacFarlane, the shop supplies students with pocket books, note-books, greeting cards, U.B.C. souvenirs, jewellery, faculty jackets, and even nylon stockings!

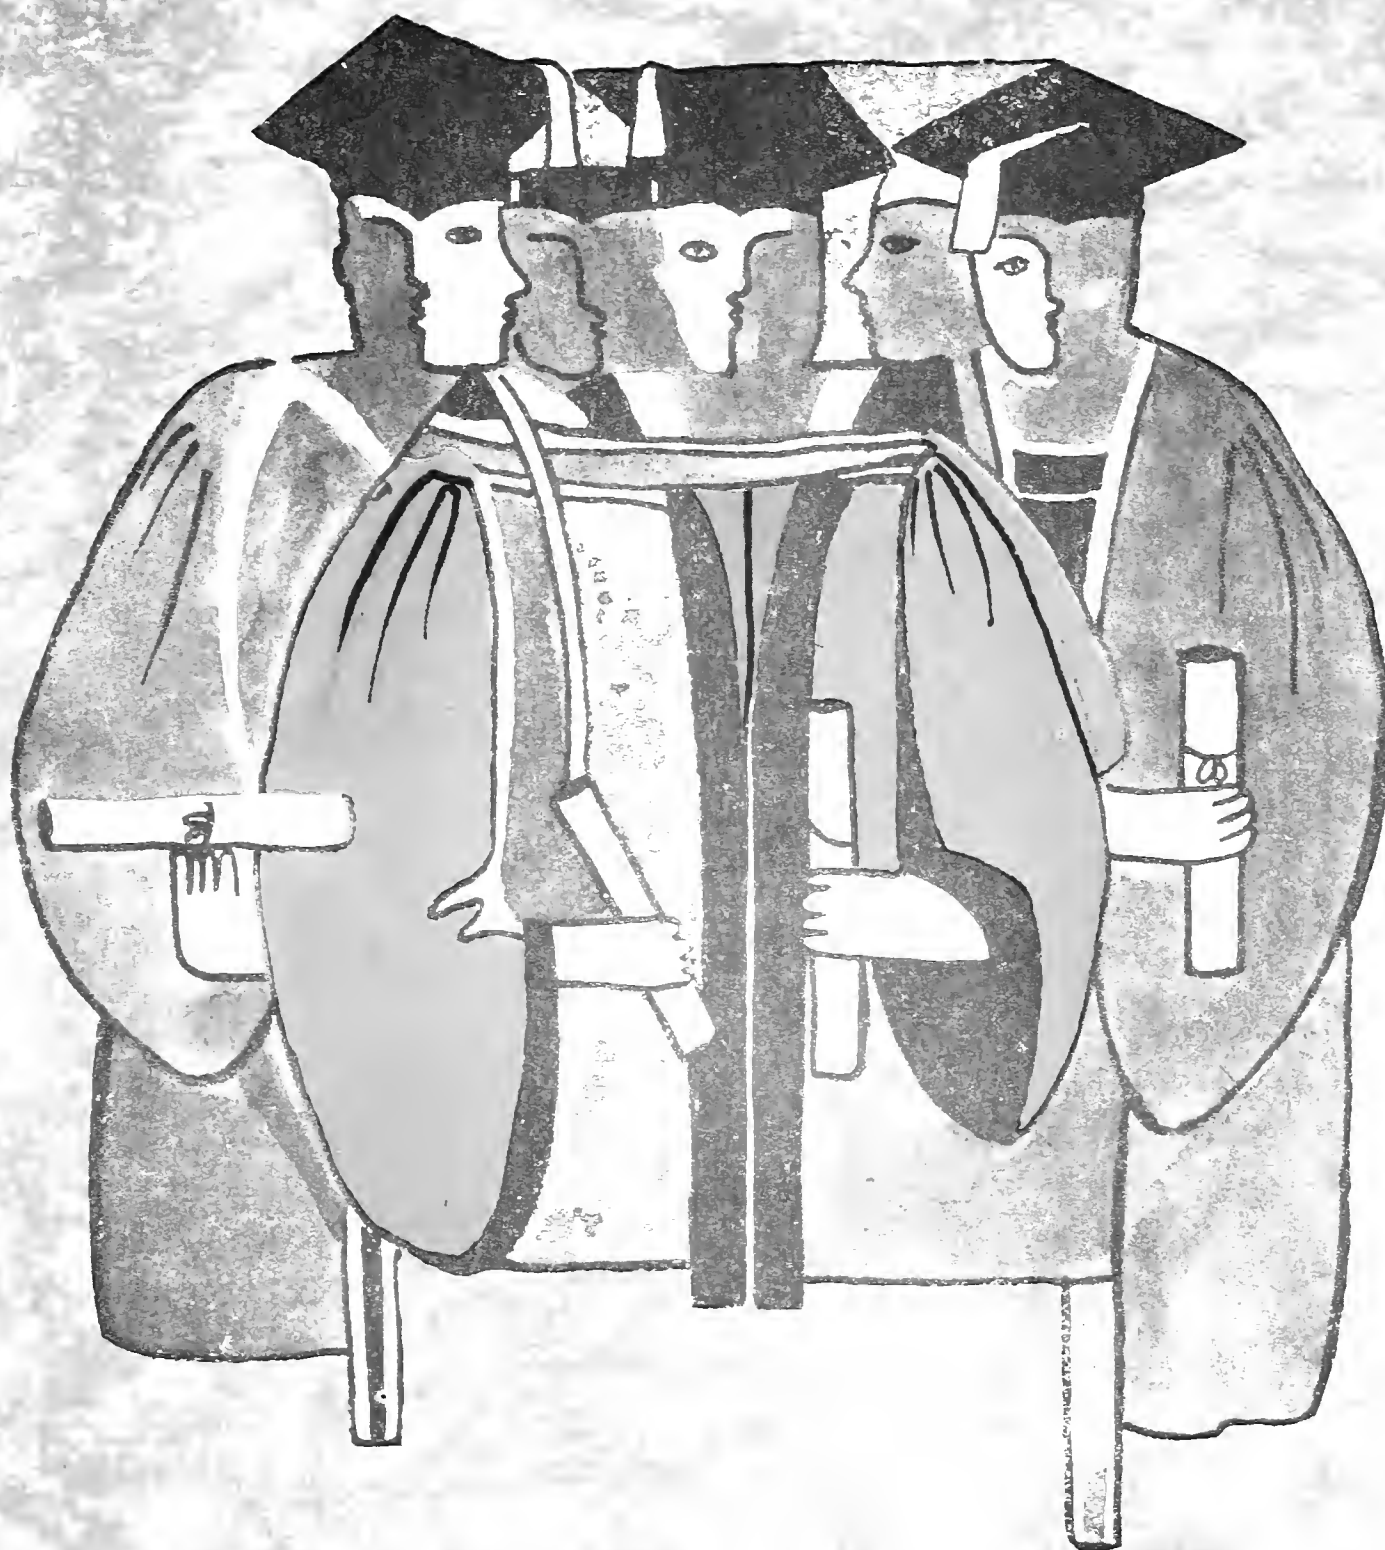

Back row: Sally Lyle, Mervin Hanson, Pete Shepherd, Bill Rogers, Chairman Pete Meekison, Jim Meekison, Dean Feltham;
Middle row: Doug Stewart, Sandy Shepherd, Bev Clarke, Barb Hay, Carolyn Wright;
Front row: Barb Bennett.

OPEN HOUSE COMMITTEE

Open House at U.B.C. is held every three years in order to make the people of B.C. more familiar with the work and facilities at our university.

The overall plans for Open House were made by a faculty-student committee and carried out by a student committee under the able chairmanship of Peter Meekison. By the time Open House was over, approximately 5,000 students had aided in its success.

The committee emphasized what the university does, can do, and hopes to do, now and in the future.

GRADUATES AND FACULTIES

FACULTY OF AGRICULTURE

Agriculture saw the fall term off to a traditional start by initiating the freshmen to the finer and more basic requirements of aggie life. This was followed by a Fall Barn Dance and the Formal.

The second term greeted the arrival of Aggie Week in January. The Farmer's Frolic was the highlight of this week, which included the publication of the Moobyssey, a Chicken Bar-B-Que, and Apple Day. The entire proceeds of this latter event were donated to the Crippled Children's Hospital.

The Spring Businessmen's Banquet was a finale to the year's well-rounded series of events. At this time awards were presented and recognition was given to the outstanding Aggies of the year.

SCHOOL OF ARCHITECTURE

Architecture students are an active group socially and academically. In the past year the students of this School have been the recipients of a large number of awards and prizes — they are justifiably proud of their record and high standard of achievement.

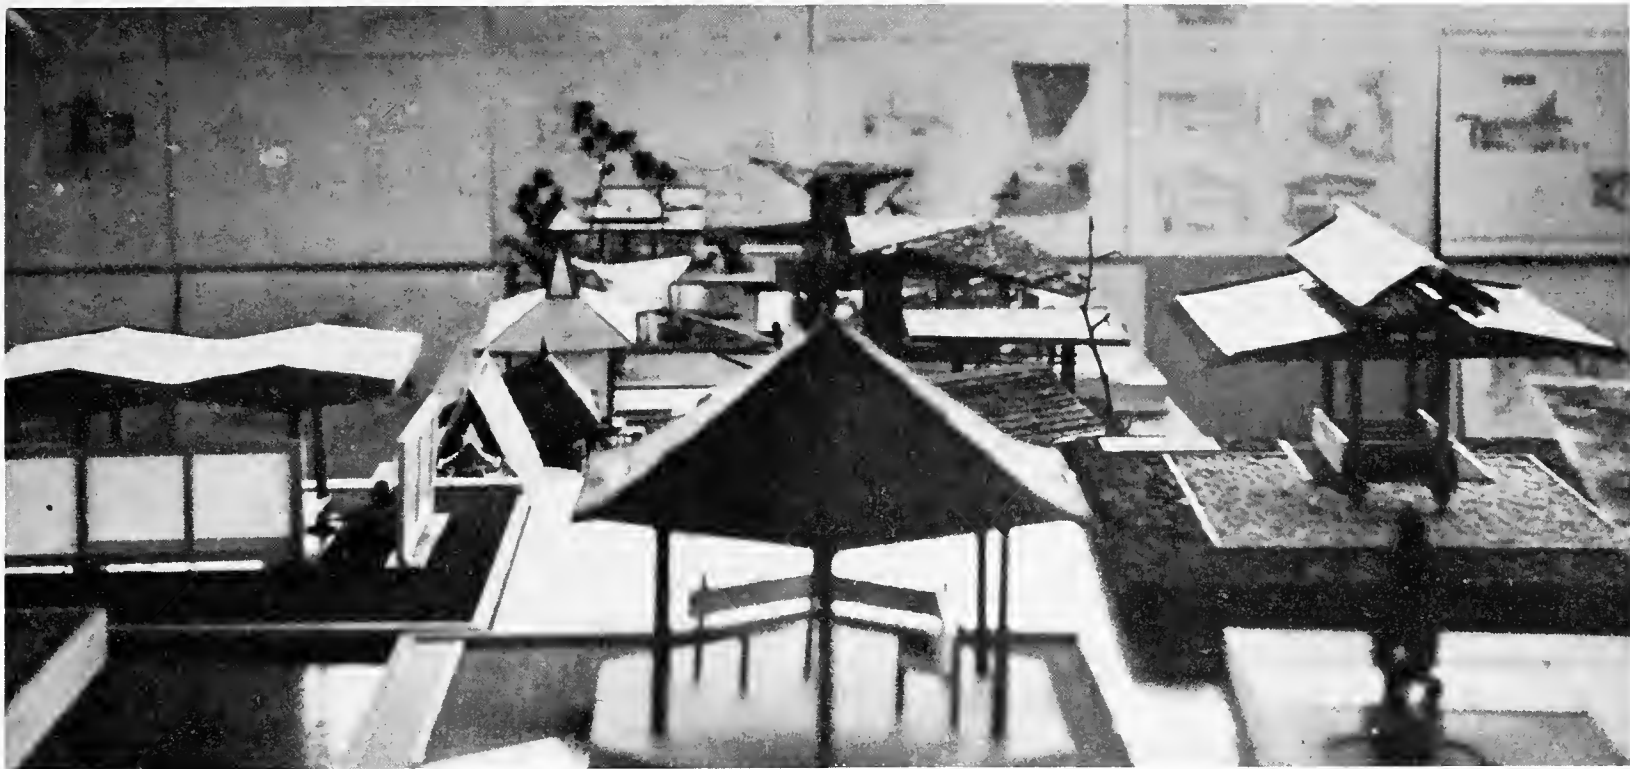

Discussion and argument continue from lecture-room to drawing-boards and workshop. Artistry extends far beyond the precise limits of blueprinting up to the water-colours, oils and sculpture which adorn the walls of Architecture's ramshackle huts.

S. N. F. Chant, Dean of the Faculty of Arts and Science.

The largest faculty on campus, Arts and Science students numbered 5,358 this year. Despite this unwieldy size, President Mac Brown has worked hard with the undergraduate council in sponsoring such activities as Arts week and an ASUS dance in February. Next year closer-knit organization should be possible since Arts and Science students decided to split into two undergraduate societies, this January.

Evidence of the burgeoning growth of the faculty is the expansion of Asian Studies into a full-scale department this year, headed by Dr. William Holland, director of the Pacific Institute and formerly of New York. With the added scope of this important department, UBC becomes one of the foremost centres of Oriental research in the western world.

FACULTY OF ARTS AND SCIENCE

Science students experiment in one of the Wesbrook Building Bacteriology labs.

The Arts and Science Undergraduate Council.

Next year, the School of Music, organized in 1959 and directed by Dr. W. G. Marquis, will graduate its first students. Above, Mr. Hans Karl Piltz instructs a class inside the converted Forestry Products Laboratory Building, temporary quarters for the School until completion of the new Fine Arts Centre.

Language learning has received new emphasis on campus with the recent addition of the \$30,000 Language Laboratory equipped with the latest in tape-recording devices. Right, Richard Hankin, foreground, practises his French vowels with classmates. Above right, students enjoy the privileges of the foreign languages reading room which adjoins the Language Lab in the Buchanan Building basement.

Pictured in the office of Dr. Ping Ti Ho are students and professors of the newly - expanded Asian Studies department. From left to right, L. A. Moss, S. T. Fukawa, Dr. Wang, J. Howard-Gibbon and Dr. Ho. The department offers courses in the Chinese and Japanese languages, the importance of which is increasing with recent, valuable acquisitions for the Asian Studies section of the Library.

Below, a partial view of the extension, com-
pleted Fall, 1960.

FACULTY OF COMMERCE

Dean G. N. Perry

After spending many memorable years in our beloved white army huts, the students of Commerce finally emigrated to the new Buchanan Building. Under the Commerce Undergraduate Society, the First Term featured the Annual Fall Dance. Commerce organized and ran the very successful Red Feather Blitz; and with Nursing as co-sponsors, the Commerce students carried out the Fall Blood Drive.

The Annual Commerce Banquet held at the Hotel Vancouver will be the main function of the Second Term. Through the activities provided by the C.U.S. and the support they have received from the students, enthusiasm has reached a peak in the Faculty.

Miss Pat Taylor, Miss Pat Smith, Mrs. Babiak, our efficient and attractive secretaries.

COLLEGE OF EDUCATION

'Bigger and Better every year', the College of Ed. has a new gym this year and is hoping for a new building next year. An expanding social program and a growing student body have shown that the college, as the second largest faculty on the campus, needs more space. This is also the first time the secondary grads have outnumbered the elementary grads, at least in Totem. This year's social program was very successful, thanks to the executive and committees under president Mary Thompson. Some of the activities sponsored by Ed. U.S. were the annual Ed.-Engineer Mixer, an Education sponsored dance, a weekly newsheet, a Future Teachers' Conference, and of course, the Education Formal in March.

FACULTY OF APPLIED SCIENCE

In one of their most active and enthusiastic years, under the able presidency of Bob Noble, Engineers won the intramural swim meet collected \$1000 for the March of Dimes, supported the nurses in the Teacup Game, held several inter-faculty dances and climaxed activities with the Engineer's Ball in February.

Less official but more publicized activities included several duckings in the men's residence pool and lily pond, the annual Aggie-Engineer chariot race with a stronger-than-ever-before chariot, and a few alterations to exhibits of sculpture.

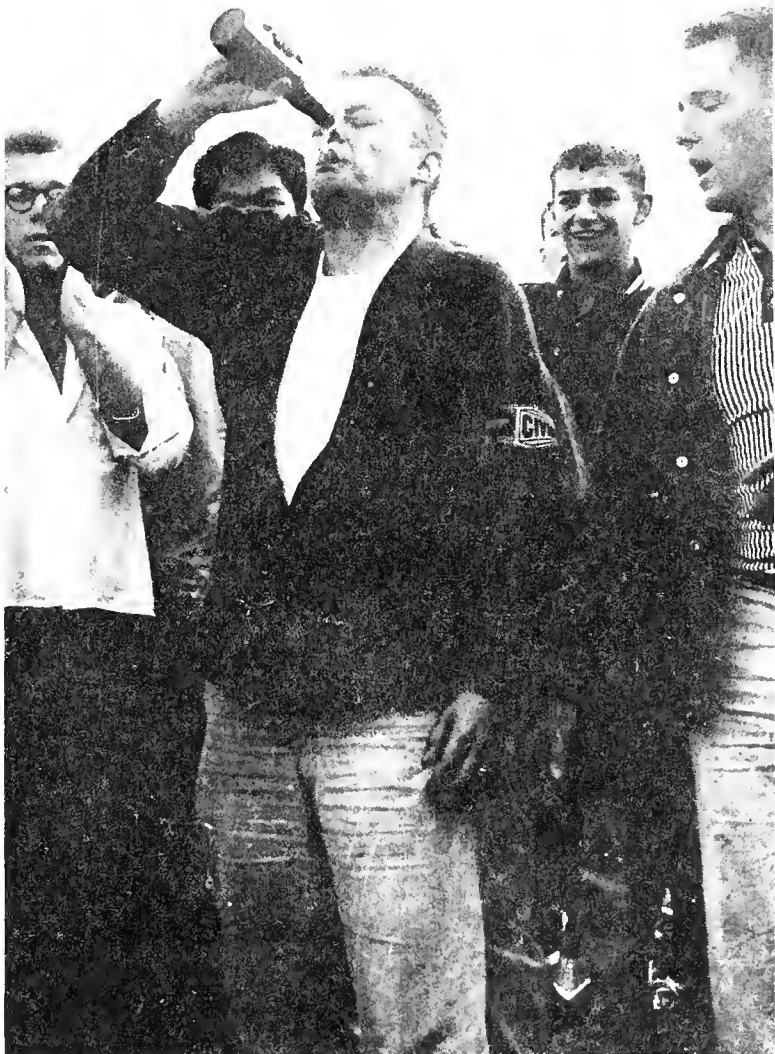

Engineers keep your campus clean!

Artsmen admire the display of artistic talent represented by this magnificent piece of Engineering statuary in Buchanan Court.

FACULTY OF FORESTRY

Forestry has become one of the best-known faculties on the campus. University activities included such events as the Slashburn, the Woodchopper's Ball, the Annual Cut, the Graduation Banquet and mixers with Home Economics and Nurses. Forestry also publishes its own yearbook.

Foresters are also making great strides toward wider recognition in the professional world. This recognition has been gained by such activities as the publication of "The Forestry Handbook for British Columbia" and the presentation of a professional ring upon graduation.

SOPRON FACULTY OF FORESTRY

In 1957, the Forestry Faculty of Sopron University arrived to take its place on the U.B.C. campus. During the past four years, 140 students have graduated. Most of the graduates are employed in the forest industry in British Columbia but a few have returned to university to take advanced degrees. This year's class of 23 students will be the last group to graduate from this faculty.

The Home Wreckers warm up preceding their victory in the Teacup Game.

The School of Home Economics offers courses within the Faculty of Arts and Science in both the general and domestic sciences. Despite the heavy pressures of the course, Home Ec. girls managed a great number of activities during the year. Aside from their enthusiastic participation in intramural sports under the capable direction of Pat Wray, Home Ec. distinguished themselves in the sports world with their stunning defeat of Nursing in the Teacup Football Game during the fall.

President, Dal Cameron, and the undergraduate council carried out an extensive program of social activities including the Home Ec. Annual Formal held at the Canyon Gardens.

FACULTY OF LAW

Law's round of events began this year with the Law Stag, closely followed by the International Moot in Seattle, and the Law Informal.

The Spring term was highlighted by the Mock Trial and the Law Ball. General activities included a continuous round of debates and a well-organized series of guest lectures. Many students also found time to attend class.

FACULTY OF MEDICINE

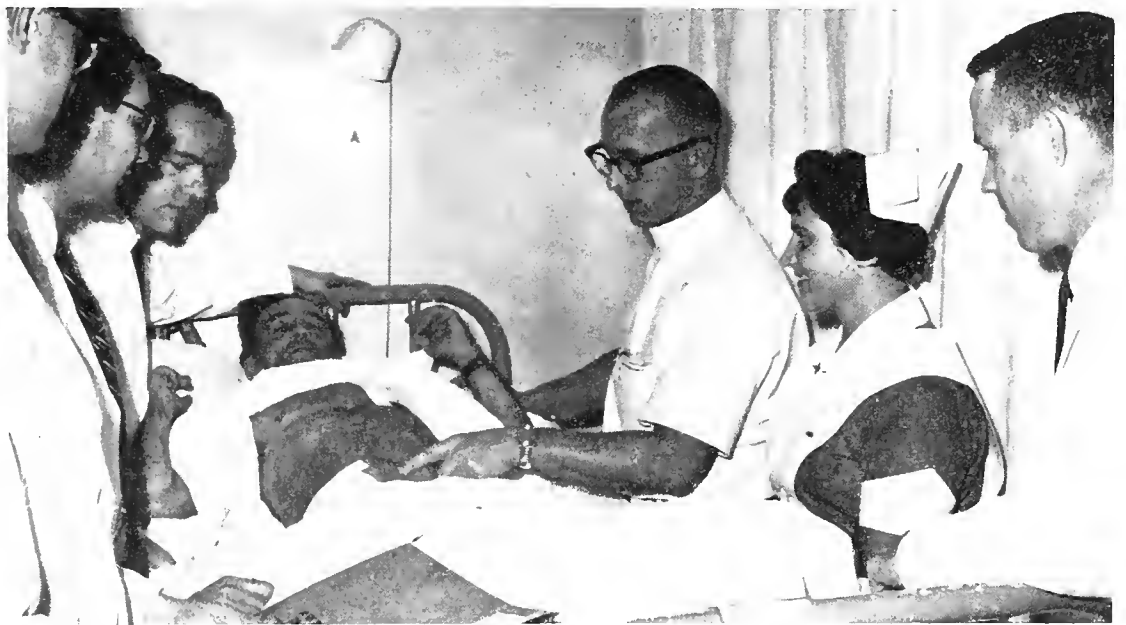

The Tenth and Heather headquarters for senior students in Medicine

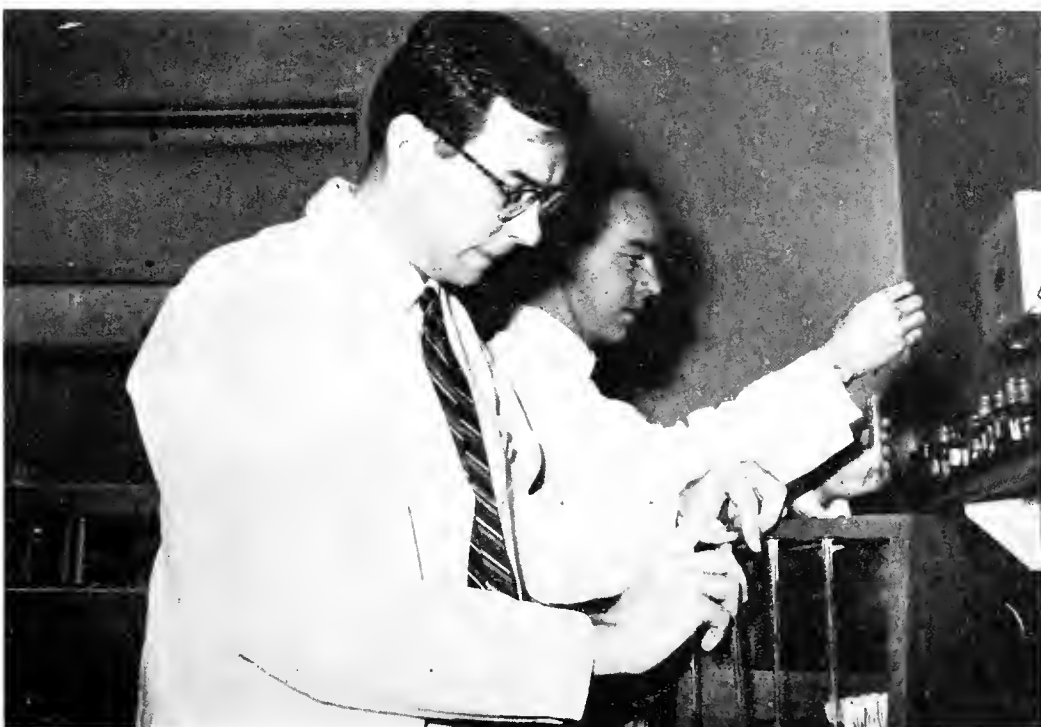

Rapid change and growth has taken place in the Faculty of Medicine during the past year. Construction began on the \$3,000,000 permanent home for the eleven-year-old faculty, formerly housed in the white Main Mall huts. A complex of three new buildings east of Wesbrook will house the faculty in future.

Several new departments have been established recently including the department of continuing medical education, and many research activities are underway, among them studies in rheumatology and lung cancer.

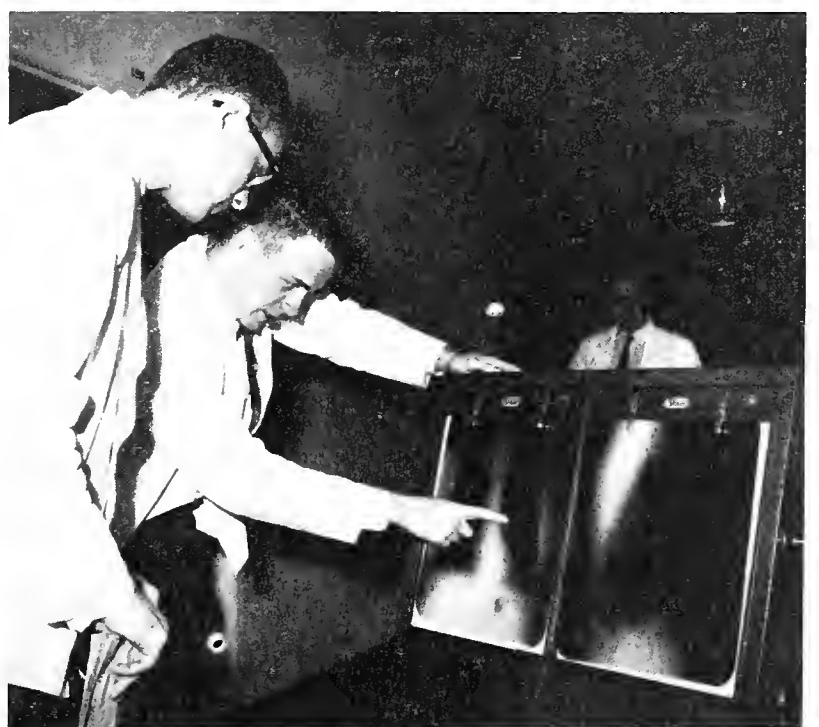

Under the direction of Glenn Friesen, president of the undergrad council, Medical students have enjoyed a busy year which was highlighted by the Spring Med. Ball.

SCHOOL OF NURSING

Although Nursing students are scattered across the city from Westbrook to St. Paul's Hospital, the N.U.S. managed to maintain an active schedule of activities, directed by president, Robin Ransom. Coffee parties, Fall and Spring dances and a year-end banquet temporarily removed the bedpan blues.

Nursing's fair fullbacks failed to conquer Home Ec in the Teacup classic but, undaunted, the faculty went on to win its laurels when Nursing - Engineering candidate, Jane Spratt, was named Homecoming Queen.

Nursing activities were not all play, however, as is proved by their indispensable role in the annual Blood Drive, and their social service work with the children of Woodlands School at Christmas.

Pharmacy students passed through the doors above for the first time last September when their permanent home, a wing of the Westbrook building was completed. Special features in these expanded quarters include a model dispensary and individual laboratory study areas.

The year has been an active one under president Leo Richards; high-lights included the fall "Bromo Ball" and, of course, the spring graduation banquet.

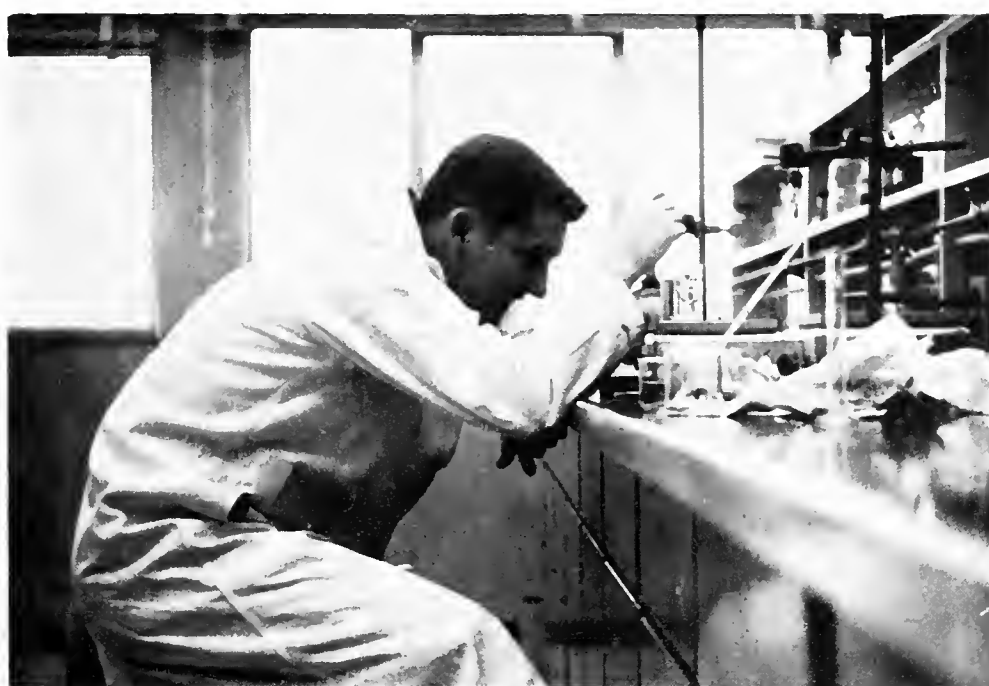

Pharmacy girls kept busy through Alpha Lambda chapter of Lambda Kappa Sigma, professional pharmaceutical sorority. The girls, headed by Joyce Larson, have acted as a service auxiliary for PhUS events and have staged social activities and professional tours throughout the year.

Robert Osborne, Director of the School of Physical Education and Recreation

In September, the School of Physical Education officially added the field of Recreation to its curricula and began offering the first Canadian full-time undergraduate course in that area. Aside from courses which train teachers of physical education, the school now provides subjects for those more interested in community recreation work.

Entering all intermural sports, energetic P.E. students have had a busy year. President Bob Schutz also directed students through a less strenuous round of social activities, the most outstanding of which were a Splash Dance and the annual Spring ski trip to Mt. Baker.

SCHOOL OF SOCIAL WORK

Many of the students in the school are older people who have been working in the field but are now completing their professional training. The students are a busy and well-integrated group under the presidency of Ed Pennington.

Social activities centre on informal discussions, guest speakers, films, and occasional parties. One of the many group activities was the sponsoring of the Oakalla Players in a production of Steinbeck's "Of Mice and Men".

This year most lectures are being conducted in a renovated barn which bears the dignified title of "Seminar Centre".

FACULTY OF GRADUATE STUDIES

Graduate Studies awards masters degrees in eleven courses, the PhD degree and offers degree courses in Community and Regional Planning and a diploma in Criminology. This year enrolment in the faculty totalled 707.

Traditionally a non-cohesive, scattered group because of the varied kinds of individual research students must do, Grad students this year have been given a "home" which should promote closer liaison between Grad Student Association members. The new Thea Koerner House, a gift from Dr. Leon Koerner in honour of his late wife, was opened on March 1, as a social centre for Graduate students.

The building, an attractive addition to the Marine Drive landscape, is located between the new Faculty Club and International House.

ANGLICAN THEOLOGICAL COLLEGE

During the 1960-61 Academic term, the Anglican Theological College of B.C. celebrated the fiftieth anniversary of Anglican theological education in the Province. Although the College was incorporated in 1912, the actual work of theological education began in October, 1910, with the opening of Bishop Latimer Hall on Haro Street; in 1912, another hall, St. Mark's, opened on Davie Street. In 1920, the two halls were amalgamated in the one College at the Haro Street property. When the University moved to Point Grey, the present College buildings were erected and officially opened in November, 1927.

During one week in December, delegates from all over the continent attended an Inter Seminary Conference held at the Anglican Theological College. Principal speakers on the theme, "The Mission of the Church", were the Primate of the Anglican Church of Canada, the Lord Bishop of Cariboo, and Bishop Stephen Neill, one of the most outstanding scholars in the church today.

UNION COLLEGE

Under the leadership of President Clint Howard the Union College Theological Society has had a busy year. Three special missionary projects have engaged the interest and work of the students: a support scholarship for a native Indian girl attending school in Naramata and contributions to scholarships for students in Angola and Hong Kong. Early in January the Theologs went on retreat at Brechin United in Nanaimo and, before returning, visited the Brannan Lake School. On March 24 the Graduation Banquet, honouring the ten 1961 graduates was held at S. James United.

An academic wing and a library, long mooted, is becoming a reality; work is underway on this project and is scheduled to be completed in the fall of 1962.

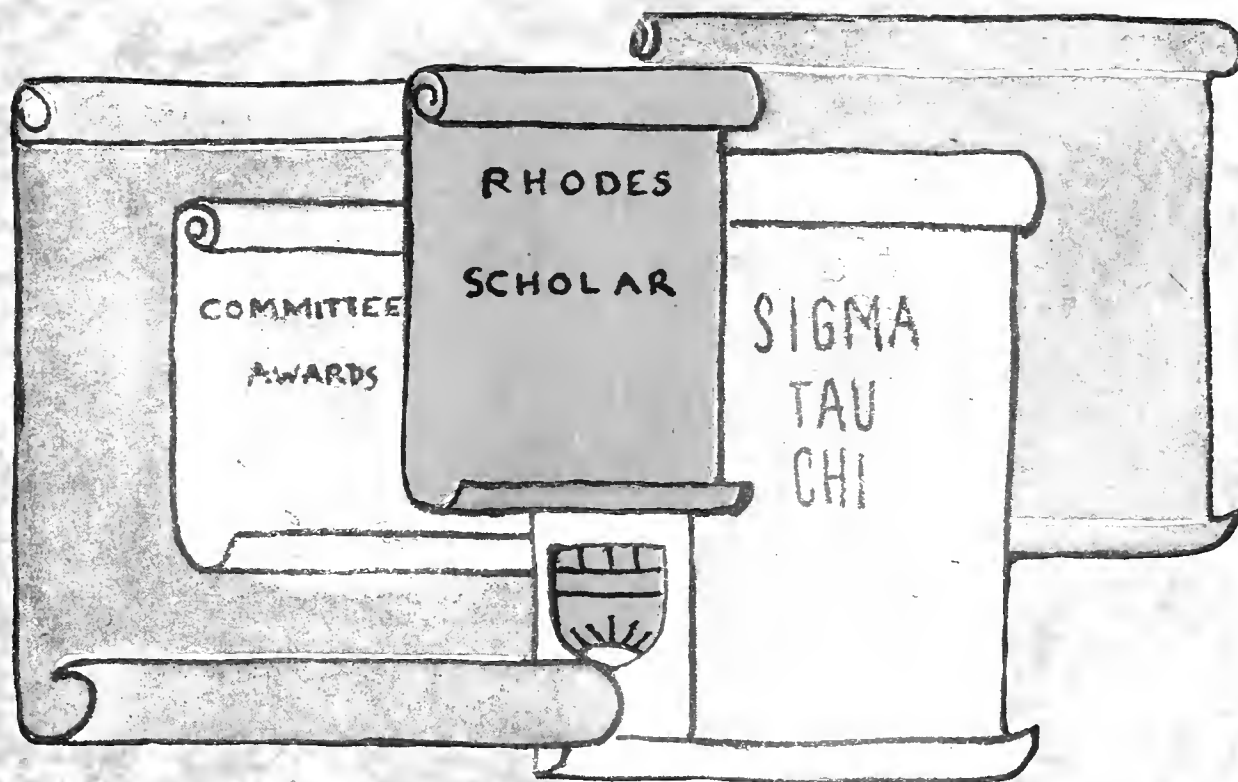

B. Scales, J. Fast, the Rev. W. Penner, and G. Brown study in the library. In the background are copies of the Black Obelisk of Shalmaneser III (c. 825 B.C.) and a Moabite Stone (c. 850 B.C.)

AWARDS

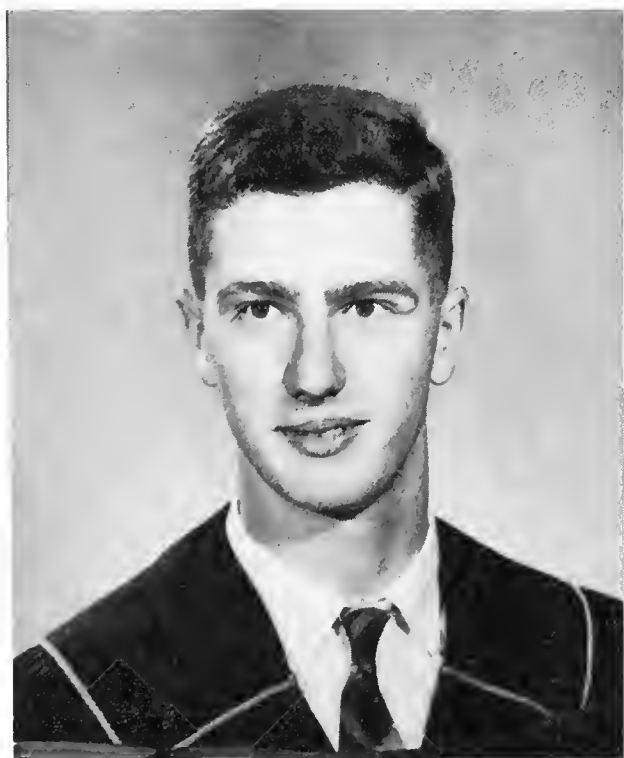

1961 RHODES SCHOLAR JOHN MADDEN

At 21 years of age, John is presently completing his second year of post-graduate work in Physics. He served the A.M.S. as chairman of U.B.C.'s N.F.C.U.S. Committee and co-chairman of the Academic Symposium Committee. Last year he was an executive member of the Students' Council. John was also on U.B.C.'s rowing crew which won a Silver Medal at the B.E.G. in 1958 and a Silver Medal in the Pan-American Games.

After a month's vacation in Spain, John will work towards his Ph.D. in Physics at Oxford.

DELTA SIGMA PI

Since 1943 Delta Sigma Pi, U.B.C.'s Honorary Sorority has recognized those women who are outstanding in leadership, service, and scholarship. This year six new members were elected for the active part they have played in campus activities.

Highlight of the Fall term was the impressive initiation ceremony which was attended by faculty advisors and representatives from all women's organizations. The regular monthly meetings provide an opportunity for the group to get together and discuss problems of mutual interest.

A.M.S. GENERAL MEETING

More efficient student government is the result of the special A.M.S. meeting held on January 19th. The constitutional amendments, proposed after considerable careful preparation by Russ Brink and Ross Craigie, will give council seats to the Presidents of each Undergraduate Society, thereby bringing the Council into much closer contact with the whole student body.

Also at the meeting, which was capably conducted by President Dave Edgar, a standing ovation was given our U.B.C. rowing crew who were presented with the silver mugs shown to the left.

A forest of uplifted hands indicates acceptance of the amendment at one of the best attended general meetings in U.B.C.'s history.

This year, Open House attracted 75,000 visitors despite adverse weather conditions. The theme of this Triennial event was the Brock Mural. The campus was gay with banners decorated with the symbols from the mural. Every building and campus area showed many displays, among the most popular being the Clubs' Display in the Armouries, the Agriculture exhibits in the Field House and the Architecture sketches and models.

Behind the scenes planning for this event began last April by the committee headed by Peter Meekison, and including Secretary Barbara Bennett, Treasurer Jim Meekison, Ed Stewart, Doug Stewart, Dean Feltham, Barbara Hay, Bill Rodgers, Sally Lyle, Merv Hanson, Bev Clarke, Sandra Sheppard, and Peter Shepard.

STUNTS, PRANKS, AND GIMMICKS

On Hallowe'en the girls of the A.W.S. Executive staged a blitz to boost Totem sales — many thanks, witches!

I.S.C. challenged Council members to a unique "boat race" during half-time at the November fifth football game.

The famed bed-pushing stunt, the end of which is pictured to the right, had good results as these books collected for universities in Japan and Pakistan would indicate. The drive was sponsored by W.U.S., whose Chairman Ruth Kidd is pictured with the books.

UNITED NATIONS CLUB

This year the United Nations Club sponsored a U.N. Week each term. Highlights of the first week were the flag raising on U.N. Day with an address by President MacKenzie, and a slide lecture by John Young, a teacher under the Colombo Plan in Borneo. In the second term, the theme of the week was the U.N. in action. The feature speaker was Dean Soward, who lectured on the Fifteenth General Assembly.

DEBATING UNION

One of the oldest clubs on campus, the Debating Union has always been a tradition of University life. Its activities included arranging the McGoun Cup Championships for Western Canada, the U.B.C. team being Lorenne Gordon and Dave Anderson. The club also sponsored Intra-Mural Debates, Student-Faculty Debates, Student Forums and a competition with Victoria College.

Debators K. Hodkinson, P. Hebb, L. Gordon, M. Brett compete at the University Team try outs . . .

LIBERAL CLUB

The membership of the Liberal Club, the largest in its history, participated in events arranged from time to time throughout the University year. A program of discussion was held among the members to increase their knowledge not only of Liberalism but of other political parties. A series of guest speakers were chosen from the Provincial and Federal sphere to give the Liberal viewpoint on the major issues of the day. A program of social events, including cocktail parties and teas was held.

The Conservative Club aims to stimulate an interest in politics through an extensive programme of educational activities. The executive organised noon-hour discussions, debates, evening meetings and social events for the club. The club has contributed to university life by bringing several M.P.'s and four Cabinet Ministers to the campus.

⇓ . . . and student Conservatives listen.

CCF CLUB

The campus CCF Club provides students with an opportunity to work towards a better society both through the discussion of Canadian and world political problems, and through direct political action. The club has an ambitious education program which includes lectures by prominent figures in Canadian public life, and discussion groups.

CLUBS

SOCIAL CREDIT CLUB

Leading the Social Credit Club through the past active year was Bill Yeandle. The Club has sponsored speakers including cabinet ministers, has participated in the Model Parliament, and in Open House. Socially the Club has enjoyed banquets and cocktail parties.

Bill Yeandle moves to thank guest speaker Kenneth Kiernan.

SAILING CLUB

The main event of the year for the Sailing Club was the regatta in November. This was held at the Jericho headquarters of the Yacht Club and featured racing teams from the University of Washington, Seattle University and the University of Puget Sound. Eight members comprised each team. To prepare for the regatta an instruction program was scheduled for each Saturday of the term.

SPORTS CAR CLUB

⬆ The Ford 100 E-modified engine in Zelma's car.

The increasing enthusiasm in sports car racing at U.B.C. has seen the formation of a racing team. Last year two members of the team won class championships for the Pacific Northwest. Several times during the year enthusiasts grapple with a handful of maps, rally tables and stopwatches, eager to show their ability in the fine art of rally driving. Most notable events were the Totem rally, the Thunderbird rally and a Gymkhana. An Inter-Collegiate rally between Universities of the Pacific Northwest was also planned.

Players Club, under the presidency of Elizabeth Fraser, began a successful year with an outstanding display on Clubs Day. First term productions included a reading of *Death of a Salesman*; *The Flies*, which played three nights, and *Endgame*. In the second term the Club's interest was focussed mainly on the Open House Revue, and the Spring Play which was subsequently taken on tour.

DANCE CLUB

🏠 Dance Club Executive: E. Metterindorfer, L. Klockow, S. Aspinall, J. Gaskill, M. Smith, G. Zwick.

This year, Dance Club has extended its program to include folk and square dancing. It has also inaugurated a demonstration group which toured several of the High Schools in the city. In addition, Mr. Grant Vincent, the sponsor, has instructed several advanced ballroom sessions. In the Spring term, the Club held its Annual Dance Marathon, as well as a number of other social events, including a dancing trip to Point Roberts and an excursion to one of the North Shore Mountains.

Badminton Club's one hundred members enjoy playing three times a week: Tuesday, Thursday and Sunday. In the spring a tournament is held, for which cups are awarded to club members.

PRE-MED CLUB

The Pre-Med Club presented an interesting list of speakers during the year. The group included Dr. Mathers, Assistant Dean; Dr. Phil Ashmore, a heart surgeon; Mr. Clark, deputy warden of Okalla prison; and Dr. Max Evans, president of the B.C. Cancer Institute. Field trips were made to Oakalla, Essondale, Woodlands and the Vancouver Preventorium. On the social side, the club held its annual fall mixer in October.

EL CIRCULO

El Circulo is the campus Spanish Club. Some of its functions feature conversation groups, slides, movies and records from Spain and South America, and lectures on Spanish speaking countries. Its aim is to promote interest in Spanish culture and to extend a welcome to South Americans studying here. One of the main events of the year was the Spanish Weekend at Loon Lake Forestry Camp, at which the musical interlude, pictured to the left, took place.

ALLIANCE FRANCAISE

The Alliance is a junior affiliate of the French cultural organization of the same name. This year the Junior Alliance sponsored conversation groups, lectures by members of the faculty and by the Consul General of France, French movies, and started a library of novels and magazines. The Vancouver Alliance is sponsoring a scholarship open to club members. The winner of this will go to France for six weeks, all expenses paid.

GERMAN CLUB

The purpose of the club is to provide an opportunity for interested students to increase their knowledge about present-day Germany and also enable them to become acquainted with Germany's rich cultural background. To achieve this end the club sponsors films, guest speakers, panel discussions and debates. In addition, for those anxious to become proficient in speaking the German language, the club provides weekly conversation classes.

ALPHA OMEGA SOCIETY

Alpha Omega: Robert Hotner, Doris Maceluck, John Bacy.

The purpose of Alpha Omega is to promote the study and applications of Ukrainian culture with respect to Canadian cultural development and to provide a means of social contact for students of Ukrainian descent. To achieve these aims, the Society sponsors discussion groups, and lectures on Ukrainian traditions, music, history and literature.

EAST ASIA SOCIETY

This group was formed two years ago for the purpose of promoting opportunities through club meetings and functions to learn and discuss various aspects of the cultures and societies of this geographic area. Every Wednesday noon hour, there was a report, a film, or a speaker. Also the society co-sponsored the exotic Far East Week. Culminating this week was a spectacular display held at International House.

◀ SCM executive: B. Robinson, C. Holmes, A. Rimmer and B. McMaster.

CHRISTIAN SCIENCE

The Christian Science Organization is established on campus to provide all students of the University with the opportunities to discover what Christian Science really is and what its healing mission is doing for mankind to-day. Regular weekly meetings are held at which testimonies of Christian Science healing are given and at least one free lecture is made available on campus each year.

LUTHERAN STUDENTS ASSOCIATION

Feeling that the religious life pierces the meaninglessness of this insecure age, the Lutheran Student Association seeks to present Jesus Christ to students and to relate Christian concepts to academic disciplines. Academic, theological and Biblical discussions form the core of LSA's bi-weekly meetings. This year, the UBC local was host to eighty western Canada students who gathered in convention during the Christmas holiday.

RESIDENCES

ACADIA CAMP

Acadia Camp, originally Army quarters, was moved to the University in 1946 as a residence for men and women students. The number of huts was gradually increased by moving huts into the area and by building new ones. Married quarters have since been added as well as huts comprising the Youth Training Center, better known as Y.T.C. The total population of the Acadia area is now 713, which includes one men's Don and two women's Dons.

The Men's Residences now include four houses — Robson, Kootenay, and Okanagan opened in 1959 and Sherwood Lett opened in 1960. Presently more residences are being built to house the only thing the Permanent Residences lack—women. The houses themselves lack for little, with lounges in each house, recreation rooms, modern rooms, and many more conveniences. The four houses are grouped around the central Common Block which has a canteen, lounges for the men and a lounge for women, and the cafeteria. For comfort, setting and availability to the campus the new Residences leave little room for improvement.

ANGLICAN THEOLOGICAL COLLEGE

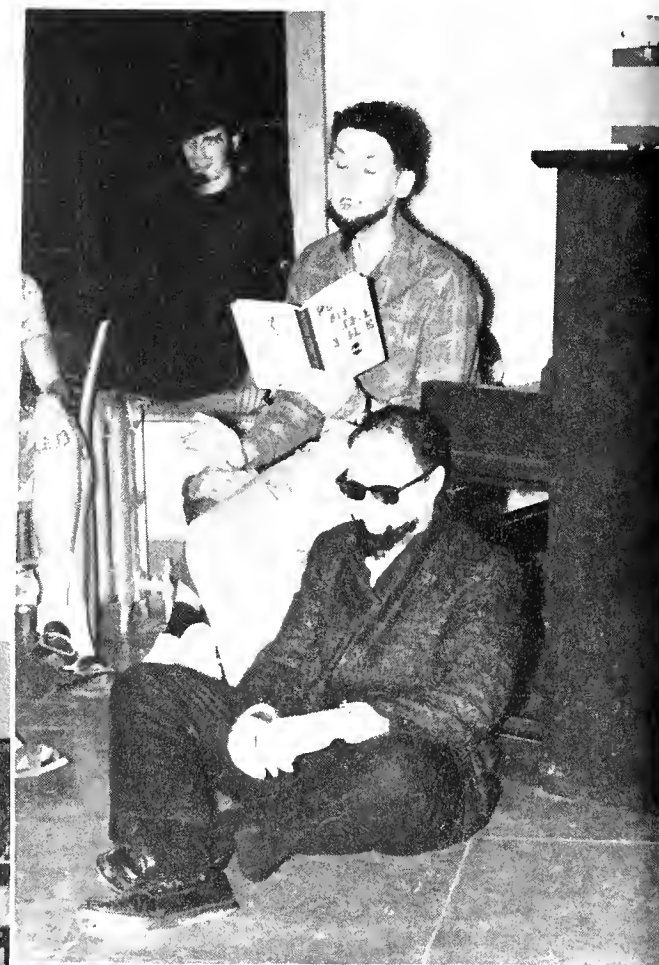

The College.

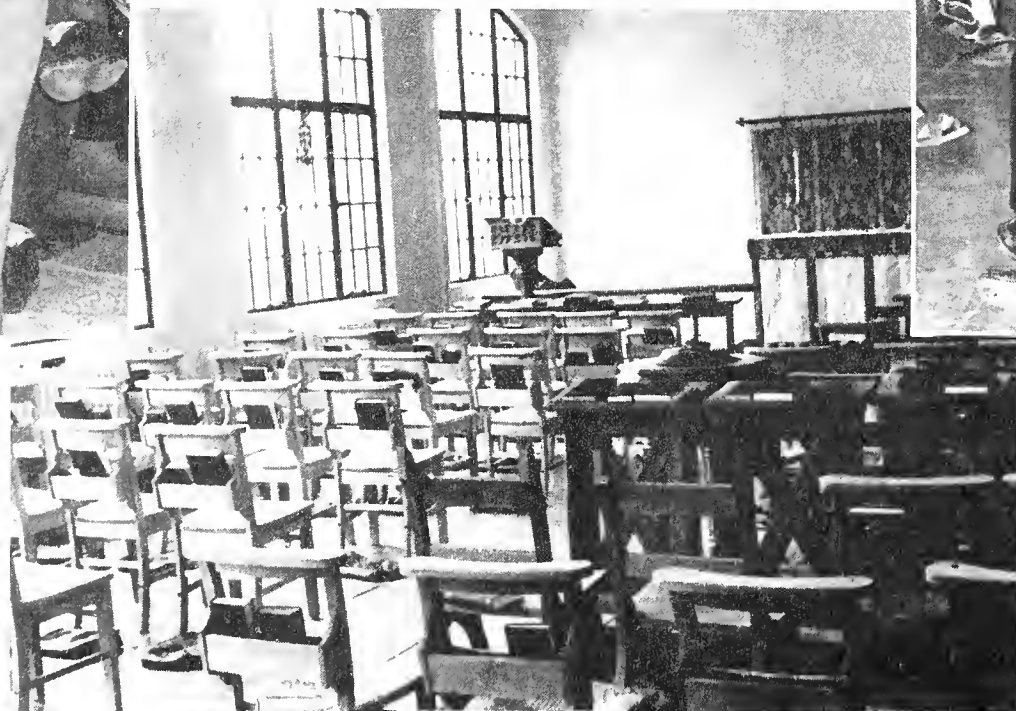

Student life at A.T.C. centers around the Chapel with its daily round of morning and evening services. Of the 41 member student body led by Jim Moir, the Senior Student, 32 are in residence while the nine married students who live off campus come in every day for classes. Early in each term a visiting priest leads a Retreat which is followed in the first term by activities including the Freshman's Entertainment, the "Pickle Push", and the Christmas Party, and in the second by the At Home and Track Meet. Students at the College, especially those still in Arts participate in many Campus activities while selected Theologues play soccer for the College in the Intramural "B" League.

Carey Hall

CAREY HALL

Carey Hall was opened in the summer of 1960 as a center for Baptist students on the Campus. The residence, located on Iona Drive, is a "home away from home" for forty male students. Rooms in the Hall are well equipped with those much appreciated "extras" and utility rooms in each wing of the residence serve as laundry rooms as well as providing facilities for midnight snacks. The library is also used as a chapel, where nightly services are held. Perhaps the most attractive feature of Carey Hall is to be found in its spacious lounge and its massive stone fireplace. Here, bi-weekly programs provide a time for residents and guests to gather around for devotions, academic deliberation, or simply relaxation over a cup of coffee. Already the "Carey Hall Fireside" has a reputation of making significant contributions to the lives of those participating.

St. Andrew's Hall was built and is maintained by the Presbyterian Church in Canada and is affiliated with the University of British Columbia. The Hall consists of a dormitory for forty men, a building with kitchen, dining-room, lounge, library, and administration offices, and a chapel. St. Andrew's has been open for four years now, offering spiritual, intellectual, social, and physical activities and challenges in a Christian home atmosphere.

St. Mark's College was incorporated on March 2, 1956, as the Catholic Theological College of the University of British Columbia. The building was started in July 1957 and was ready for the Summer School in July 1958. The purpose of St. Mark's is four-fold: (a) to stimulate the pursuit of higher learning at the university level; (b) to provide a religious and social center for all the Catholic students at the University; (c) to provide board and room for men (winter session) and women (summer session) students living away from home.

The library also open to all Catholic students.

In the academic year 1960-1961 there are 320 Catholics at U.B.C. For the use and benefit of these students, St. Mark's provides a Chapel with Sunday and daily Mass, a library, a large lounge, a music room, a kitchenette, two committee rooms, and lockers. The Newman Club has its office in one of these committee rooms and its supplements the student's academic interests with spiritual and social activities. At present there are two residential units which accommodate a total of 103 students. It is hoped that in the near future there will be more residential units for boys and for girls.

UNION COLLEGE

Union College tower, the highest point on Campus, is a familiar landmark for mariners. The College itself was founded in 1927 to train ministers for the United Church of Canada. As well as providing a full three year course in Theology, Union College operates a residence for seventy men in various faculties. The Residence participates in intramural sports and in the activities of the Theological section, both organized and disorganized.

It must have been funny.

QUEENS

FROSH QUEEN

Chela Matthison . . . a graduate of Lester Pearson High, is now in Montreal studying theatre. Dancing, Jazz, and Sports fill her spare time.

The pictures in this section were taken in the colourful Nitobe Memorial Japanese Gardens, located at the south western corner of the campus. Opened last May, these gardens are dedicated to their designer, Professor Kannosuke Mori, in recognition of his distinguished international service and of his efforts to promote closer understanding between Japan and Canada.

FROSH COURT

Above . . . Monica Ahlen finds time for the Booster Club, tennis team, swimming and skiing. Next year she plans to enter the faculty of nursing.

Above . . . Dianne Cooperband, a pert graduate from Magee has no definite plans as to her future upon graduation in Arts.

HOMECOMING QUEEN

Jane Spratt . . . the Engineer's choice is in fourth year nursing and will enter the field of public health when she graduates. She is active in golf, skiing and Delta Gamma Sorority.

HOMECOMING COURT

Above . . . Bonnie Waugh, the pretty Forestry and Home Economics candidate is planning to be a fashion buyer.

Above . . . Irene Pennacchiotti, Miss Fort Camp, hails from Venezuela. Water skiing, swimming and skin diving are among her many activities. She intends to go into the diplomatic service.

MARDI GRAS QUEEN

Sharon Hurley . . . in third year Arts with psychology and classics majors, is a member of Kappa Kappa Gamma sorority. Dancing is one of her favourite pastimes.

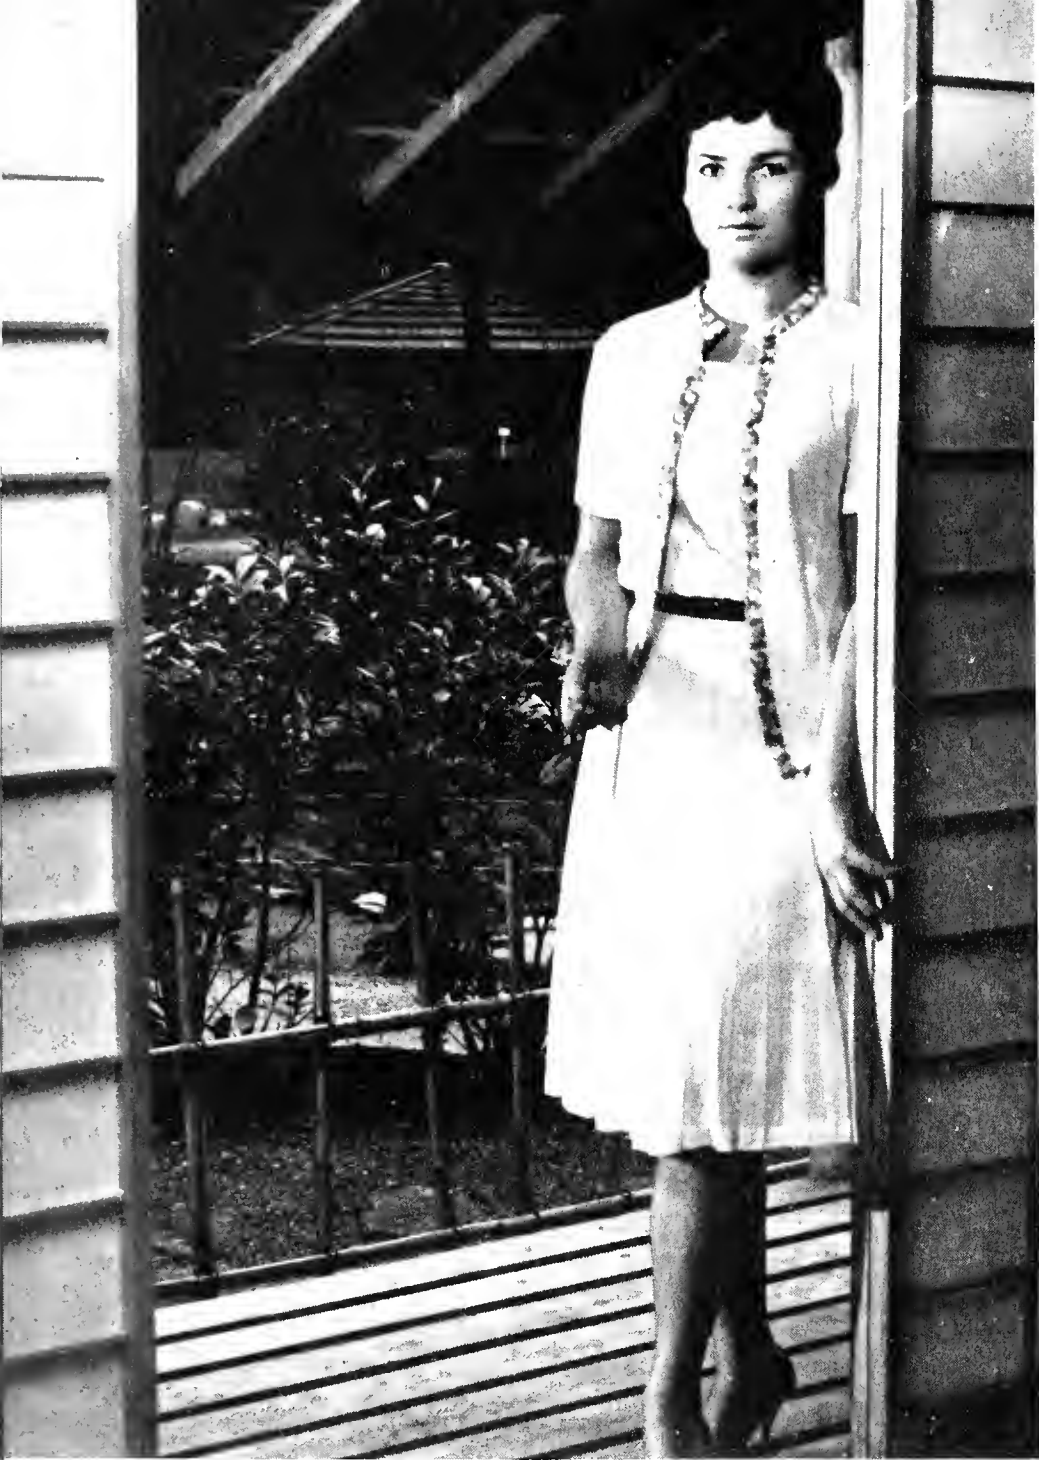

PHRATERES QUEEN

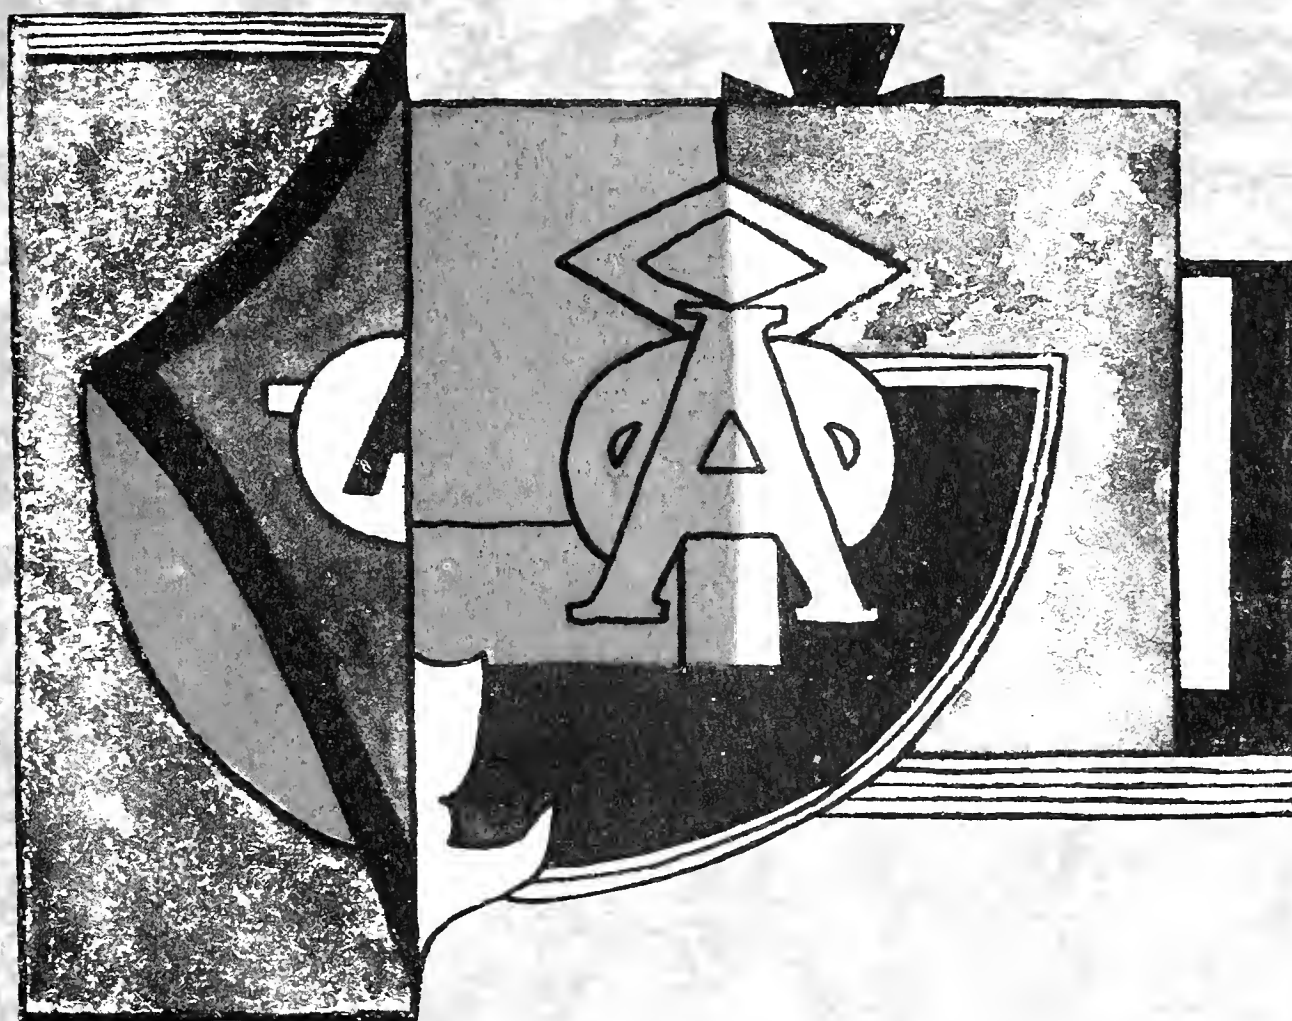

Penny Wong, an active third year Education student, is a member of the Totem, Chinese Varsity Club, and the ten-pin bowling team. Although she sews most of her own clothes, she finds time for tennis, swimming, and skating.

SWEETHEART OF SIGMA CHI

Sarah Ford . . . a member of Delta Gamma Sorority, is a water skiing enthusiast. When she graduates from Arts with History and English majors, Sarah plans to teach.

MARDI GRAS

Again, as in previous years, the Greek letter societies' annual ball was an indisputable success. This year the theme was a versatile one: "Mardi Gras Goes to Broadway". The sparkling floorshow produced by Cam Dagg, was the highlight of the evening. Cornell Therrien was the choreographer and Errol Gay, the musical director. All proceeds went to the Children's Foundation.

SONG FEST

Phi Delta Theta performs a unique "Easter Parade" number.

Terry Gibson, new I.F.C. president, presents Bob Gun, Alpha Delta's song leader, with the trophy as master of ceremonies. Don Bodel looks on.

Song Fest was the highlight of "Greek Week" which was held February 20-24. Nine sororities and eight fraternities each presented well rehearsed and entertaining songs. Alpha Gamma Delta was chosen as the best sorority in the contest and Alpha Delta Pi took the prize for the fraternities.

Alpha Gamma Delta getting ready to sing their winning selection.

RUSHING

"Rushing" is the period at the beginning of the Fall and Spring terms when interested students learn more about fraternities and sororities and, if they desire, join one of these organizations. After a series of tours, coke parties, teas, dinners, stag parties and handshaking, the "rushees" sign their final bids for membership in a fraternity or sorority and become "pledges". At a later date in the year the pledges are officially initiated into the fraternity to become "actives".

PLEDGE HELP DAY

On Pledge Help Day this year the fraternity and sorority pledges sponsored the Indoor Sports Club, an organization of physically handicapped people. The day began with a drive and tour of the campus and ended at Fraternity Row where the members were served tea and entertained with group singing.

PLEDGES ON PARADE

As in tradition with Delta Phi Epsilon chapters all over the nation, Delta Gamma chapters once again sponsored the annual "Pledges on Parade" ball at the Commodore Cabaret on October 28. At this time the pledges of the women's fraternities were formally presented to Greek society.

Ceramics is an intricate art that requires much patience and skill. This page shows Art major student, Joe Varro, demonstrating some of the many stages in Ceramic making which include:

- Preparation of the clay.
- Making of the "well".
- Pulling the cylinder.
- Drawing the upper part.
- Shaping.
- Trimming the top.
- Cutting the pottery from the wheel.
- Firing.
- Glaze firing.

CREATIVE DANCING

Experimenting!

The vital role of dance is too often overlooked in all forms of recreational activity. Creative dancing is a rhythmic activity which offers recreational benefits. The creative dance course offered at U.B.C. began 5 years ago and, at present, is under the directorship of Mrs. Helen Goodwin who is assisted by Heather McCallum. The class does much experimentation using music and sound, to stimulate dance activity.

Everybody stretch.

FESTIVAL OF CONTEMPORARY ARTS

The Festival, sponsored for the first time this year, was sponsored by the Students' Special Events and the Faculty of Fine Arts Committees. The purpose of the Festival of Contemporary Arts was to emphasize those arts taught on campus, pointing out their importance as part of university experience. The work illustrated on these pages are part of an exhibit shown by Fine Arts and Architecture students during this week.

ATHLETICS

MEN'S ATHLETIC ASSOCIATION

Around table: Chris Barratt, Dave Gillanders, Frank Iacobucci, Chris Scott, Don Robertson (president), Mike Hunter, Sid Brail, Dave Wales, Ev Phillips, Keith Tolman.

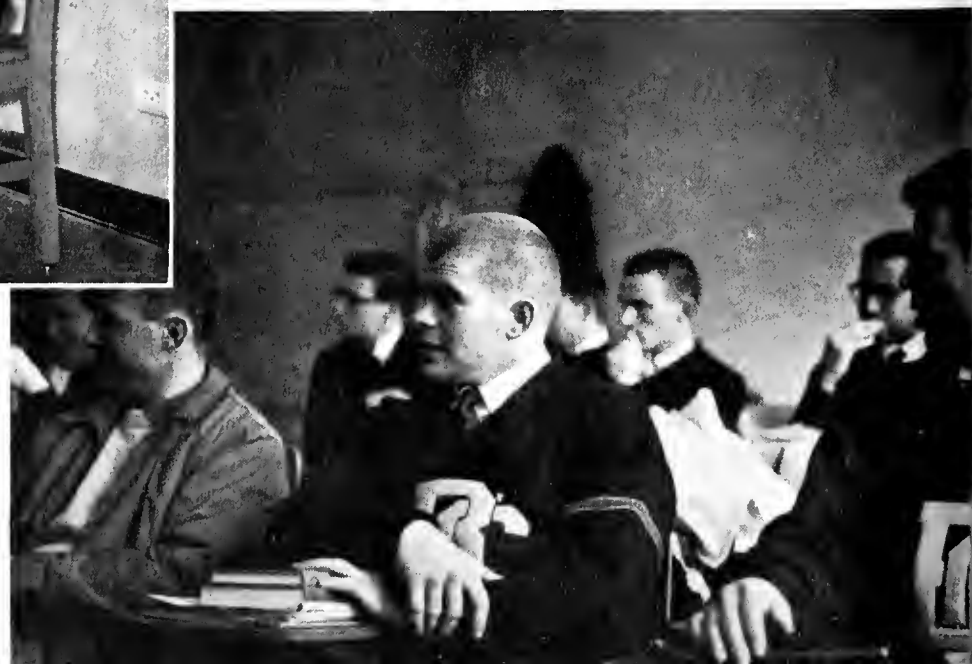

The M.A.A. consists of representatives of male athletes participating on extra-mural teams. Representation is through team managers. The Association is responsible for the promotion and maintenance of our inter-collegiate program. This year it sponsored the first "Athletics Day" to be held on campus. At this event, all men's and women's sports put on displays and exhibitions to help students become better acquainted with the extensive and varied U.B.C. Athletic program.

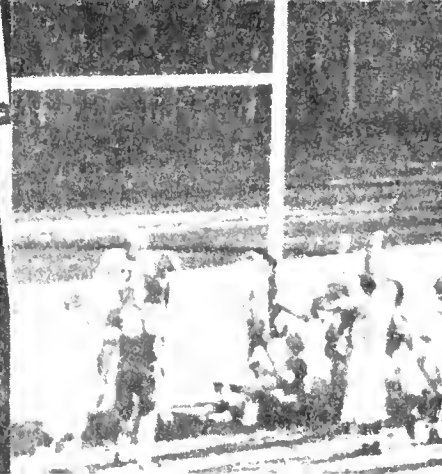

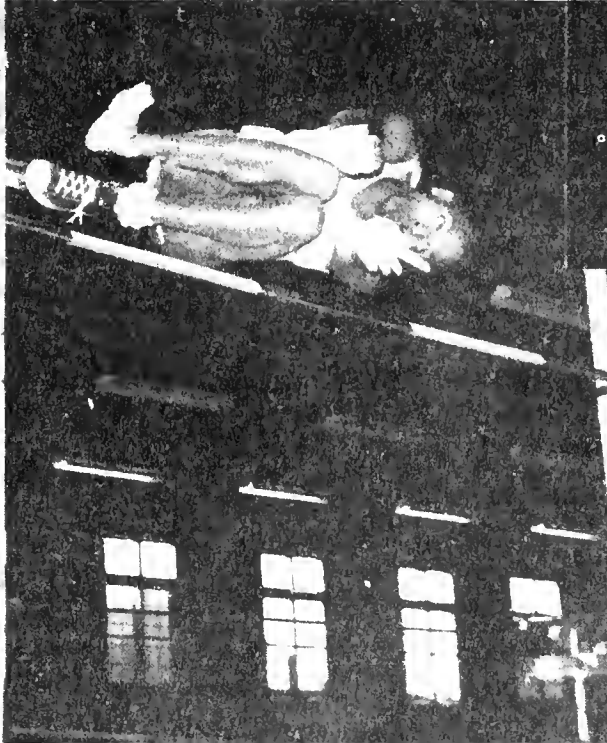

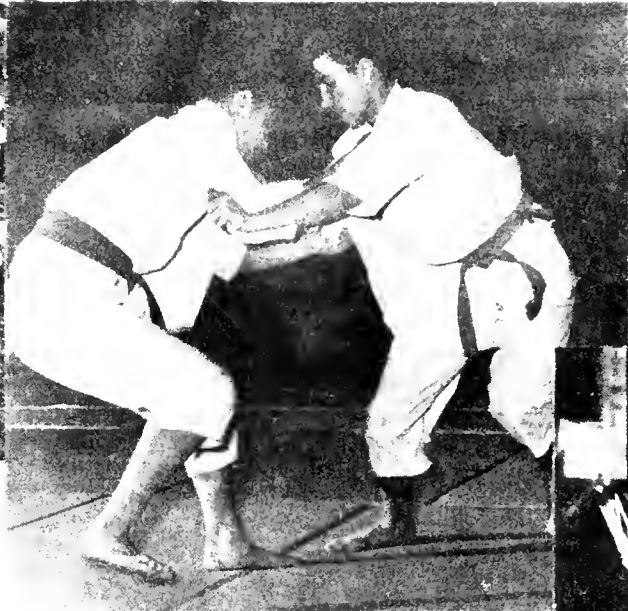

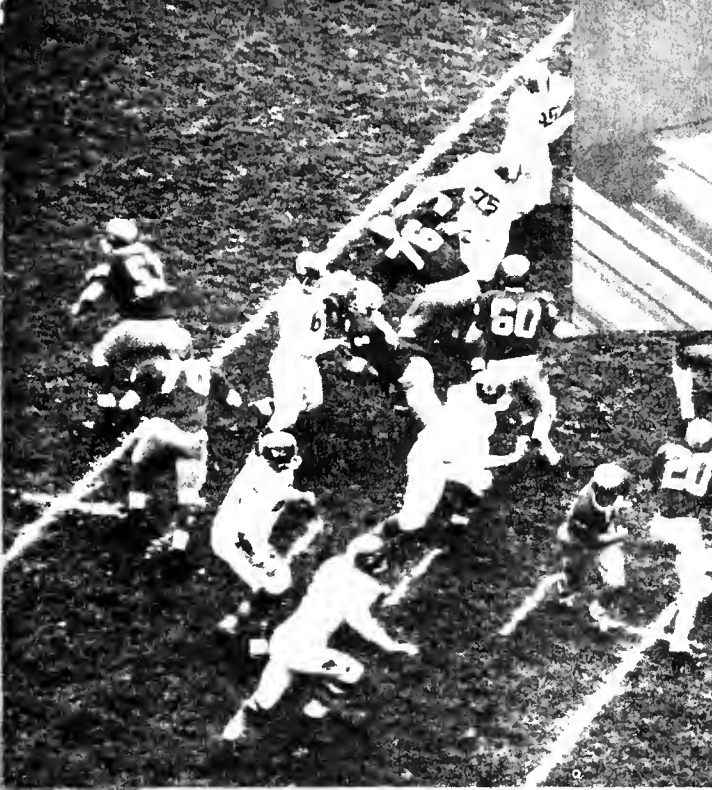

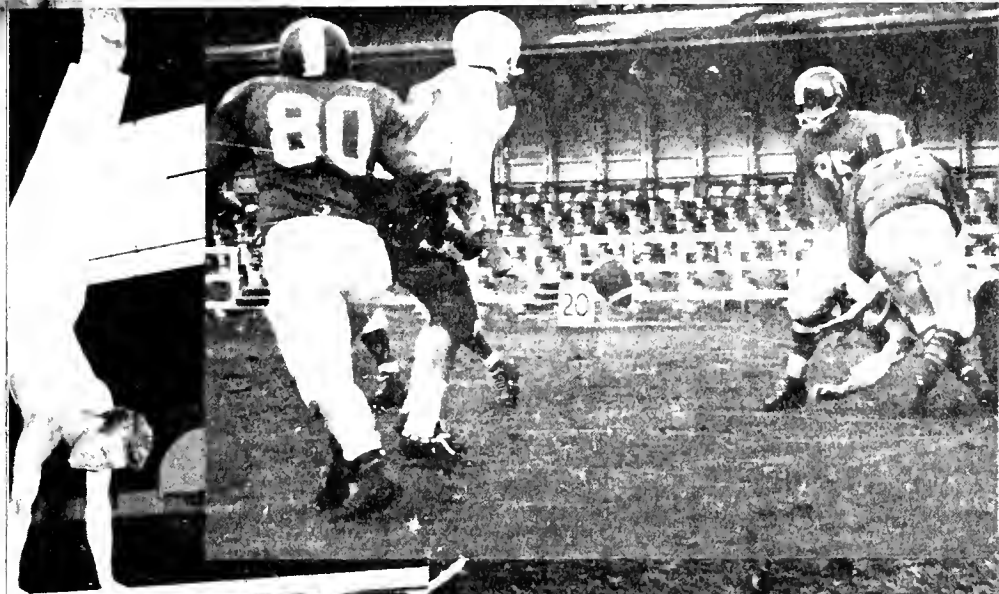

BIG BLOCK CLUB

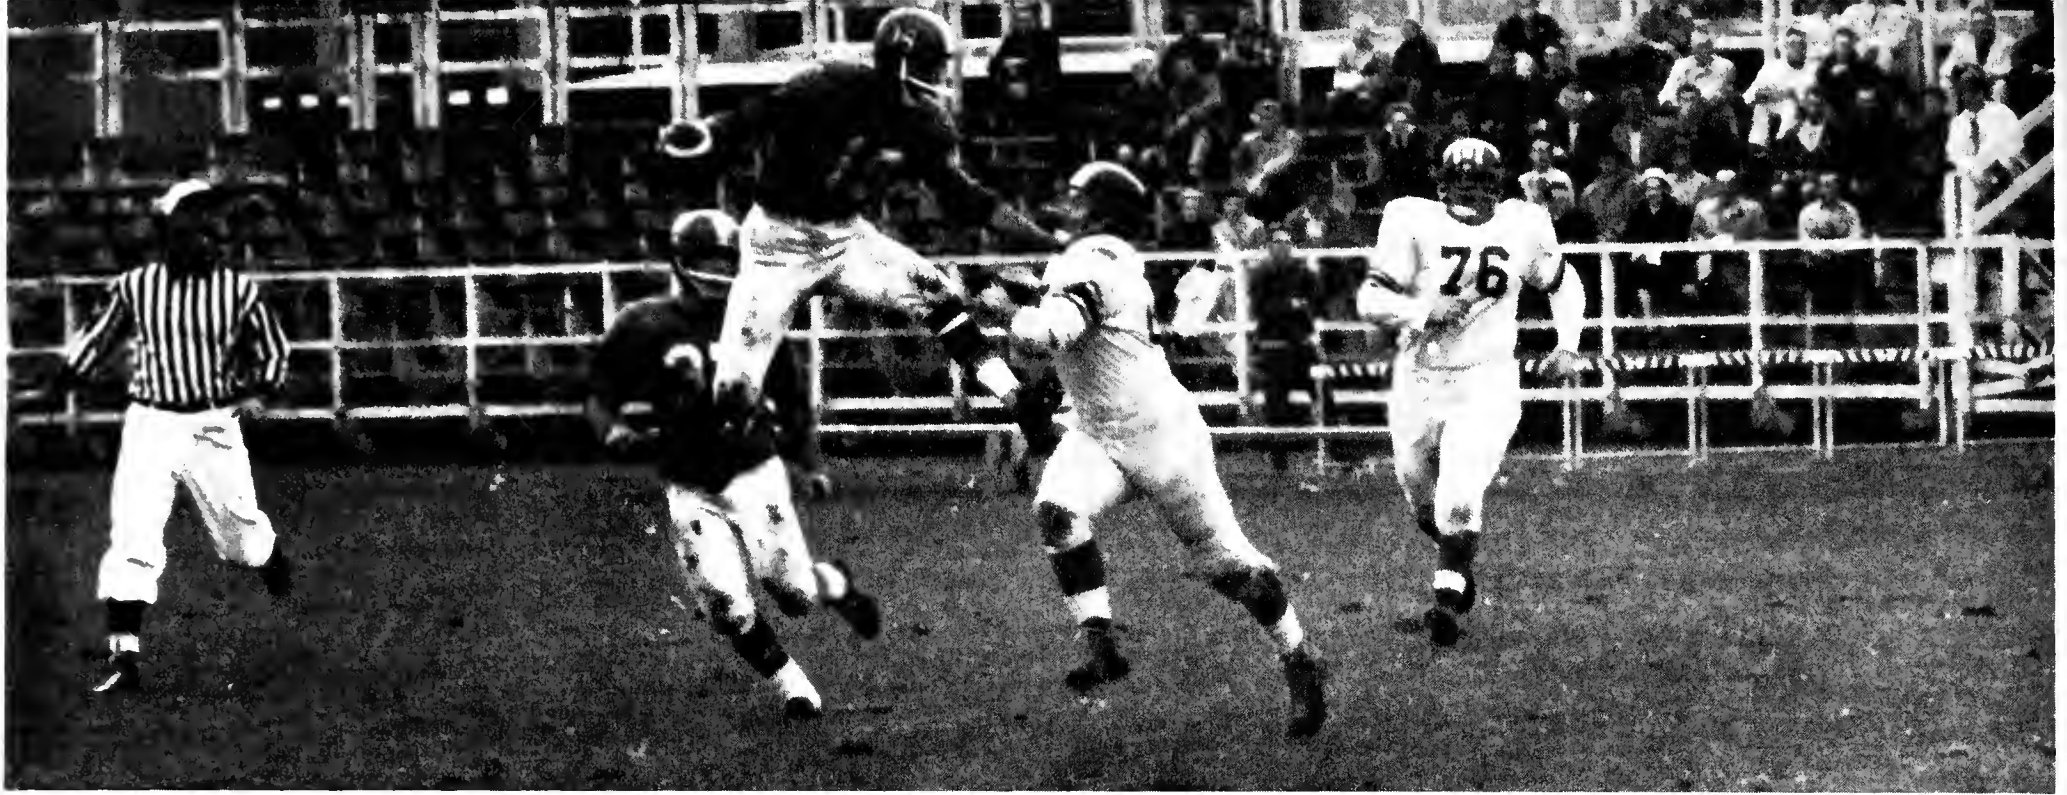

Frank Iacobucci, President.

The Big Block Club is composed of outstanding participants in U.B.C.'s more than twenty-five sports. It sponsored the Freshman Smoker in the Fall, the Athletic Ball, and the Annual Awards Banquet in the Spring. The executive of this year was comprised of F. Iacobucci, D. Argue, D. Howard, E. Rankin, D. Arnold, P. MacPherson, and G. Olafson.

FOOTBALL

Encountering tough competition in all games, the Thunderbirds needed all the spirit, fight and skill they had. In W.C.I.A.U. action, U.B.C. won both games with the Saskatchewan Huskies, but lost the championship to the Alberta Golden Bears. Five exhibition games with strong football teams from Oregon and Washington gave the Thunderbirds one victory over Western Washington.

The Jayvees repeated their brilliant performance of last year. They again captured the Fraser Valley Junior Football League title with six straight wins. They lost the B.C. Junior Football title, however, to a more experienced Blue Bomber team.

At the annual football banquet in December, awards were given for the first time to outstanding players. Graduating captain Roy Bianco was voted Most Inspirational Player by his team-mates and was awarded a trophy for Most Valuable Back. Jim Beck received the Most Valuable Lineman trophy and was chosen team captain for next year. Manager Joe Dang, who graduates this year, was also honoured for five years of valuable and faithful service to U.B.C. Football.

BASKETBALL

Ken Winslade, captain.

The Thunderbirds opened the basketball season by conquering the Grads in the traditional Homecoming game. The season continued on a high note with the Birds winning the Totem Tournament. This was the second Totem championship for U.B.C. in the tournament's ten year history, and the first since 1955.

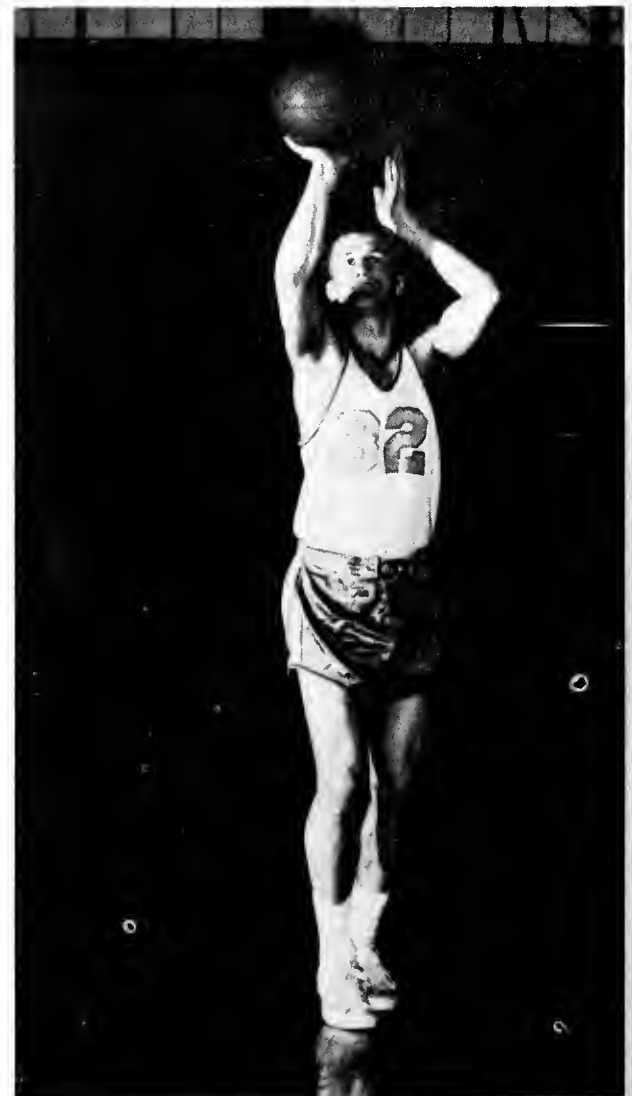

Outclassing all other teams in the league, the Thunderbirds also won their second consecutive W.C.I.A.U. basketball title. Although competition had improved tremendously this year, the U.B.C. team won the title in ten straight wins. Last season the Birds were W.C.I.A.U. champions with a brilliant 11-1 record. All star guard Ken Winslade, most valuable player in the W.C.I.A.U., was captain of the Thunderbirds this year. Jack Pomfret, assisted by Reid Mitchell, coached the team.

The U.B.C. Jayvees won most of their games in the Vancouver Senior "A" League and in exhibition games. The Braves, playing in the Junior Men's League, also did very well in competition.

ROWING

Last summer at the Rome Olympics, the rowing team again brought honor to itself and the University. Sixteen countries entered the hotly-contested 2000 metres eights events. The Thunderbird eight came second to the superbly conditioned German crew and thus won a silver medal for Canada. The U.B.C. rowing crews since 1950, have won three gold and five silver medals in international competition. Frank Read began coaching the U.B.C. oarsmen in 1950, but the 1960 Olympic crew was his last. After his many successes, he has decided to hang up his megaphone, Coal Harbour's early morning warning signal, and has been succeeded by Laurie West.

SOCCER

This is the first year in many that U.B.C. has had a team in the First Division of the Mainland Senior Soccer League. Last year the team shared top honours in the Second Division. This year the Thunderbirds are near middle position in the higher division.

The Soccer Thunderbirds have been very active. Because of a long schedule of nine home and nine away games, the battle for the Imperial Cup and Provincial Cup was not entered. In November, the Thunderbirds played exhibition games at San Francisco. They trounced Stanford 10 to 3 and Berkley, 4 to 3.

The Soccer Jayvees, U.B.C.'s Fourth Division Team, coached by Duncan Ascough, has been very successful. The team leads its division. In exhibition games the Jayvees beat both Western Washington Huskies and Victoria College.

GRASSHOCKEY

The University men's grasshockey teams play in three leagues formed by the B.C. Grasshockey Association in the Lower Mainland. For men, the sport has been active for six years. Composed of four teams, Varsity, Blues, Golds, and Pedagogues, the U.B.C. Men's Grasshockey Club battles with other Lower Mainland teams. The "A" League champion Varsity team maintains a lead over the tough rivals, Grasshoppers "A" and India "A". Blues and Golds in "B" League, and the Pedagogues in "C" League have not been as successful.

The U.B.C. Thunderbird hockey team this year played exhibition games against Universities of Alberta, Saskatchewan, and Montana. It also competed with the U. of A. Golden Bears for the Hamber Cup. U.B.C. last won the cup in 1951. Next year U.B.C. may enter the W.C.I.A.U. hockey competitions and vie with western Canadian universities for the Hardy Cup.

Rugby is one of U.B.C.'s oldest and most successful sports. Although the Thunderbirds won the Miller Cup last year in games between the Vancouver and U.B.C. Rugby Unions, they lost it this year. Already, they are winners of the B.C. Challenge Cup (McKechine Cup) sixteen times. The Tisdall Cup is also fought for in the spring. The brilliant Thunderbird record in McKechine Cup competition is equalled by its record of twelve wins out of twenty games played in World Cup competition. The World Cup is presented to the winner of a game between U.B.C. and an American University, originally Stanford, now U. of California.

Competitions for the four cups constitute a regular season's play, but U.B.C. also plays U.C.L.A. every year, and is invited to play many touring teams from other countries. The highlight of this Rugby season was the Thunderbird 18-11 win over the versatile Yawata Steel team from Japan. The Head Coach is Albert Laithwaite. The Thunderbirds are coached by Dr. Max Howell and Bob Morford. Good coaching coupled with a rugged practice schedule has developed a strong, confident team.

This year's Officers include: Robert Christie (President), Rudy Jalbert (Manager), and Dr. A. W. Matthews (coach). One of the outstanding achievements of the Club this year was the capture by Jack Arnet's rink of the W. P. Thompson Trophy offered in W.I.C.A.U. Competition.

CROSS COUNTRY

Under Coach Peter Mullins, two U.B.C. cross-country teams participated in the British Columbia, Inland Empire, Pacific Northwest, and W.C.I.A.U. Championships. Geoffrey Eales won the Canadian championships in the 1500 metre and 5000 metre runs in 1960. His 5000 metre time of 14:29.8 is a new Canadian Open record.

Because most track and field meets are held in May after final examinations, U.B.C. competition is limited to Vancouver Relays, St. Martins Relay and some early season oval meets. U.B.C. track and field is not entered in a league and so has no championship meets in which to participate.

BOWLING

This year, for the first time, U.B.C. participated in outside bowling. Team members with averages over 200 were chosen in a 12 game tryout early in the first term. A six team home league was organized. Teams participated in exhibition matches with Senior teams from various bowling alleys, a competition with Victoria College Bowling Club, and a Telegraphic Meet which U.B.C. hosted this year.

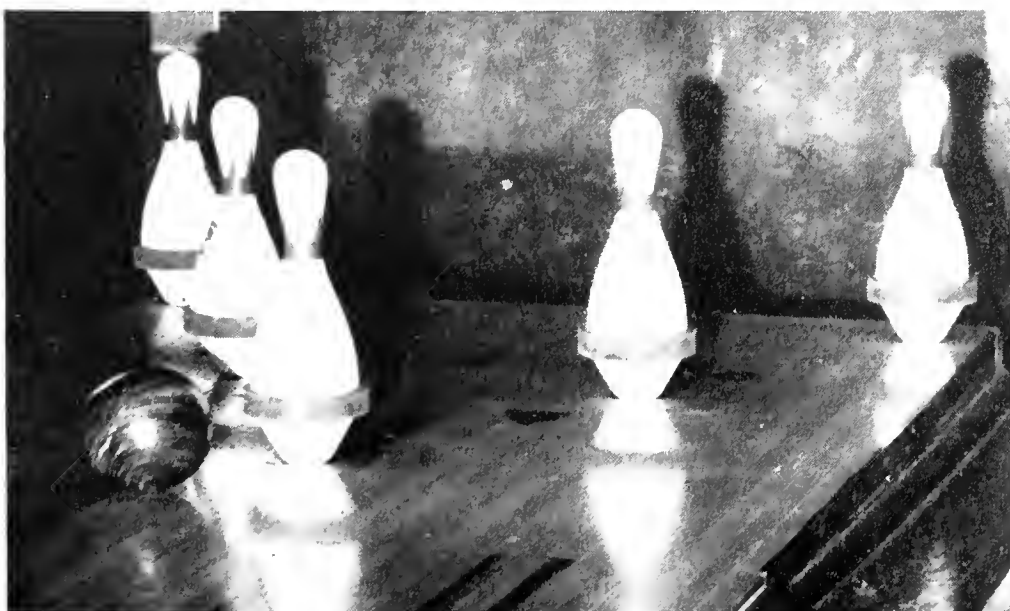

After a series of wins, the team topped the first Annual Intercollegiate Telegraphic Meet. Ron Greene's 814 triple was the highest in the tournament. Other team members came up during the year with U.B.C.'s first student 400 single and 900 triple.

U.B.C. fencers began action in 1953 and have been quite successful in competition ever since. Team members are chosen from the large Fencing Club. They compete in the B.C. Fencing Championships and W.C.I.A.U. This year they won the Men's Open Sabre, Men's Novice Foil, Men's Junior Foil (first, second, and third place), Ladies' Novice Foil, and placed second and fourth in Men's Open Foil. Gyula Kiss won the B.C. Open Sabre championship. Members are instructed in the foil and sabre by coach Julian Clark. No blood has yet been drawn.

CRICKET

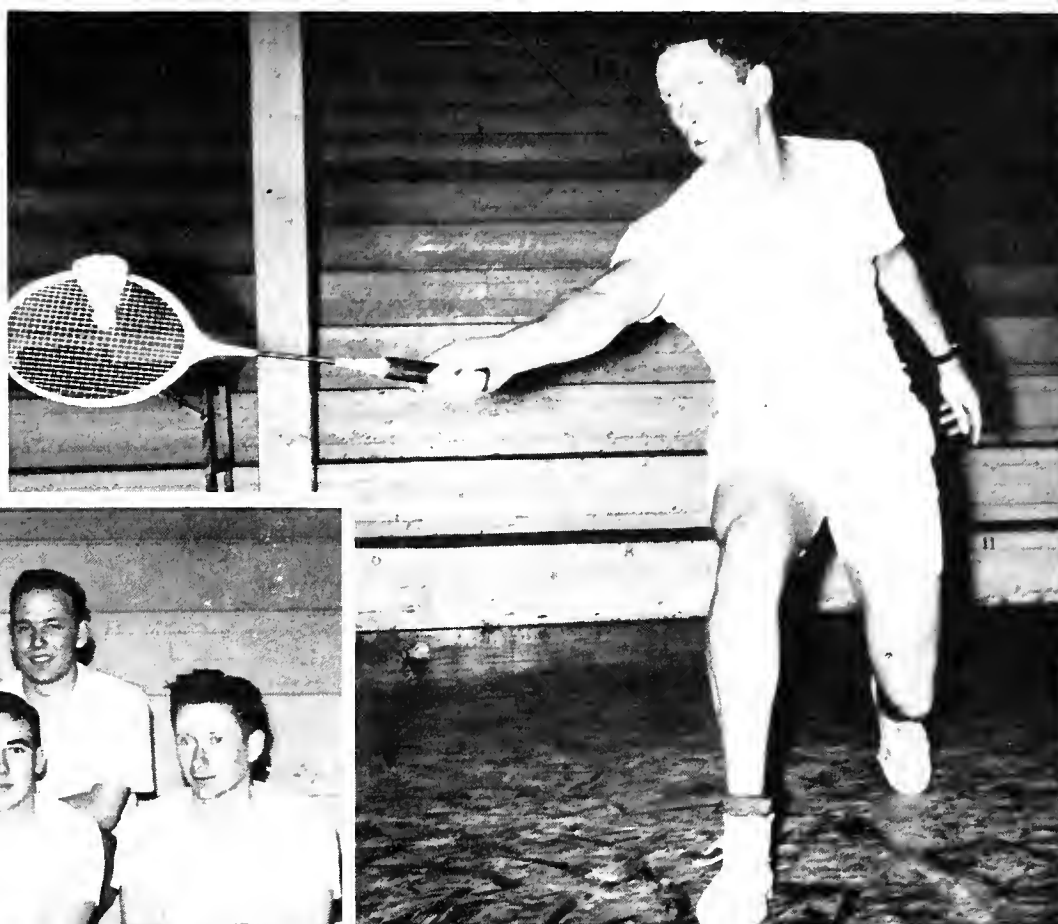

For yet another year, the U.B.C. "A" and "B" cricket teams enjoyed a successful season in the B.C. Mainland Cricket League. The "A" team (Frank Sealy, captain), while failing to win the Fyfe-Smith Shield for the third successive year, captured the Coronation Shield. The "B" Team (Charles Patterson, captain), last year's League Champions in their division, won the Gardner-Johnson Shield.

This is the second year that badminton has been an intra-university sport at U.B.C. Last year the U.B.C. team won both the W.C.I.A.U. title and the Vancouver and District title. This year it plays in the Vancouver and District League as well as entering the B.C. Open Tournament (Victoria), B.C. Central Tournament (Kelowna), Washington State Tournament (Seattle) and the W.C.I.A.U. Tournament (Vancouver).

Badminton is divided into A, B, and C teams with six members to a team. This year for the first time the men were fortunate to have a coach, Mr. E. Stacey.

GYMNASTICS

The Gymnastic Team shows promise of making an excellent showing in this year's Pacific Northwest competition.

The team is comprised of Gordy Gannon (captain), M. Engelson, P. Rathe, R. Finnigan, B. Hay, A. Ross, R. McKee, B. Ross, J. Marchand, T. Young, A. Honkey, P. Pellat, K. Doolon, R. Meyer, B. Baseball is a recent addition to the U.B.C. Sports Program. In 1960 the team won half its games, and showed its skill by winning three straight games against feared Western Washington College. Pitchers and catchers began training in the Gym in February. In March the whole squad started practising outside. A travelling team of eighteen was chosen for the annual tour of Washington State. The team, coached by Frank Gnup, play during the summer season.

SAILING

Sailing has been important at U.B.C. since 1954 when a group of interested students first formed a racing team to compete in the University of Washington regatta. In 1959 the Men's Athletic Association bought six penguin class dinghies for the sailing club. There are now four universities competing at regattas in this area. U.B.C. hosts one of the regattas. The sailing team consists of four skippers and four crew chosen from the club and is coached by Dr. C. Helmer.

U.B.C. sailors have won trophies at the University of Seattle, University of Washington, Northwest Inter-collegiate Racing Association championship, and the Victoria Totem Trophy competitions. They practice on Sundays at the Royal Vancouver Yacht Club at Jericho Beach.

JUDO

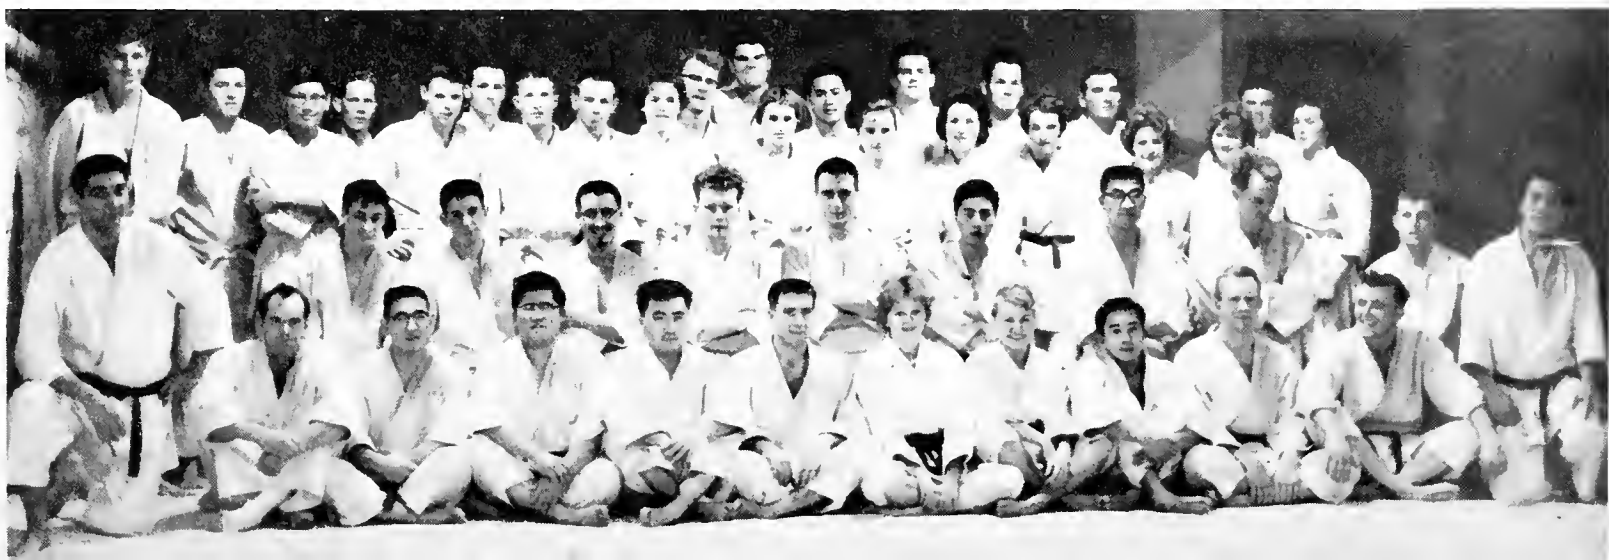

The U.B.C. Judo Club participates in lower mainland tournaments and the B.C. open Judo Tournament. This year U.B.C., with the Vancouver Judo Club, hosted the B.C. open Tournament. The U.B.C. team tied for second place in the under-black belt competition in this, their second year of competition.

Club president is Arpad Toth. Instructors are R. Fedouik and I. Shinsaka. Practices are held twice a week. Begun in 1959 with a membership of 25, the club now boasts a membership of 102 including 12 girls. This year the club purchased \$500 worth of tatami (judo mats). Previously, tumbling mats were used.

SQUASH

Four years ago a small group of players formed a squash team. Membership has now grown to 50 active members who play Thursday afternoons and Sunday evenings at the Vancouver Raquets Club. The U.B.C. squash team, composed of the top five players captained by Chris Scott, the team's "A" class player, competed against local teams and those from Seattle and Victoria College.

SWIMMING

Under the expert coaching of Dave Parsons, the Thunderbird Swim team has performed admirably. The U.B.C. swimmers held the Pacific Northwest Championship during 1957, 1958 and 1959. Last year, 1960, the team joined the W.C.I.A.U. and swam away with the league championship. As well as competing in the W.C.I.A.U. the U.B.C. swim team met swimmers from Washington colleges.

The team trains at Empire Pool in the fall and at Crystal Pool in the winter. The team is managed by Bruce Mitchell.

TENNIS

The U.B.C. tennis team, consisting of ten players under coach Paul Willey, has excelled in recent years. Members play in inter-collegiate and local competitions. The U.B.C. players were W.C.-I.A.U. champions last year and came second this year. Edmond Vlaszaty is the outstanding U.B.C. player. In May, after examinations, a tour through Washington, Oregon, and California highlights the year.

WRESTLING

Although the number of wrestlers at U.B.C. is small, the team members are very active. They practice three times a week and enter several competitions, including all comers meets, the B.C. Novice Championships, the Western Intercollegiate competitions, and the B.C. Senior Championships. Last year U.B.C. won three of eight weight classes in the Western Intercollegiate competitions at Edmonton. This year after intensive training the team has a good chance of winning the meet.

SKIING

Jumping at Banff.

Consistently strong, the Thunderbird ski team compares well with the best on the continent. In its first competition this year at Kimberley, the team finished third. Don Bruniski won the slalom and downhill, John Platt came second in the slalom, Roar Gjessing won the cross country, and Dave Johansen came third in jumping.

The U.B.C. skiers captured most of the awards in the Western Canada Amateur ski championships in Vernon. Bruniski, who was a member of Canada's 1960 Olympic team, won the slalom and downhill events. Platt, who represented Canada at the World Championships in Austria in 1958, won the giant slalom. In Nordic competition, Gjessing hiked to first place in the nine mile cross country, while teammate Jim Logan came third. Platt, Bruniski, and Gjessing are all on Canada's national team.

At the annual Banff Intercollegiate ski meet, U.B.C. took fourth place although Roar Gjessing won the cross country. At the Invitational International slalom in Colorado, John Platt came sixth in competition with the best skiers in the world.

WEIGHTLIFTING

During the past three years, weightlifting at U.B.C. has grown from a handful of interested individuals to a team of twelve. U.B.C. weightlifters enter the B.C. Junior and Senior Championships, the Pacific Northwest meet, the P.N.E. tournament, and local contests. Several team members hold B.C. titles.

Volleyball came alive again in 1957 when Frank Kuruc arrived at U.B.C. with the Sopron faculty. Under his coaching, the team won the B.C. Championship in 1957 and 1958. In 1959 it took second place. U.B.C. placed third in its first Western Conference volleyball competition last year. The team, coached now by Jack Stern, also plays in the city league.

INTRAMURALS

Intramural sports, under the direction of Bob Hindmarch of the School of Physical Education, have again been very active. Clubs, fraternities, faculties and residences send their sportsmen in hopes of gaining enough points to become athletic leaders on the campus. Sports played ranged from football to table tennis.

GRASSHOCKEY

Two teams of Women's Grasshockey enjoyed an eventful and successful year. The Varsity team, coached by Miss B. Schrodt, practiced twice a week and competed against Ex-North Vancouver, King Edward, Alumni, Ex-Kitsilano, and Ex-Britannia teams. The team placed second over nearly twenty teams in the Pacific North West Hockey Conference held on campus in November, and in December four team members, Barb Lindberg, Alison Gourlay, Cathy Swan, and Judy Sewell, were guests at a hockey conference to select a U.S. all-star team in California. The U.B.C. team, coached by Miss E. Weisman, also practiced twice weekly, and competed with King Edward, Britannia, and Vancouver Tech. teams. The League games of both teams were played at Trafalgar Park.

Action between the Varsity and U.B.C. teams at a Thursday practice.

U.B.C. Grasshockey team: Back row (left to right): Judy Nichols, Diana Lawrence, Kathy Caple, Jane Brown, Marcia Oliphant, Shirley Mura.
Front row: Bernie Thompson, Susan Smith, Val Turner, Pat Howie, Joan Newton.

GOLF

The Women's Golf team practiced weekly at the Fieldhouse, and during fine weather on the University course and the Richmond driving range. The team consisted of Pat Butler, Joan Perkins, Betty Duckworth, Carol Munro, Jean Barbaree (manager) and Maureen Auld. The girls hope to continue team practices through the summer.

Jean Barbaree, Carol Munro and Joan Perkins practice strokes in the Fieldhouse.

Tennis Team. Back row: D. Lawrence (manager), C. Stuhrman, J. Preston. Front row: Coach Paul Willey, M. Ahlen, C. Jones, M. Shakespeare.

The women's Tennis Team practised weekly under the direction of coach Paul Willey, a former Davis Cup winner. The team, which was managed by Diana Lawrence, entered the W.C.I.A.U. tournament in Edmonton in October and placed third in very close competition. In February the team competed in an Indoor Tournament with top players from the Vancouver Lawn Tennis, Jericho and New Westminster clubs.

BADMINTON

The Women's Badminton Team enjoyed a busy and successful season in 1960-61. Coached by Miss Tilley, the girls practised twice a week and competed with local teams: the Racquets Club, Vancouver Lawn Tennis and Badminton Club, Strathcona, Point Grey, Cloverdale, North Vancouver and Surrey. Members of the team participated in the Provincials in Victoria in January, and in February hosted the W.C.I.A.U. Tournament here. In March the team competed in the Central B.C. Championship in Kelowna.

Badminton team. Back row: L. Broome (manager), S. Smith, M. McFarlane, L. MacDougall, P. Sturmanis, G. Harvey, M. Gordon.
Front row: M. Coombe, T. O'Brien, L. Keil, D. Burrridge, S. McKelvey, I. Lee.

ARCHERY

The nine members of the Archery Team met twice weekly for practices in the Fieldhouse. The archers, coached by Miss Tilley, and managed by Linda James, competed in an Indoor Intercollegiate Telegraphic Meet against eastern colleges in February, and in an Indoor Shoot with local archery groups in March.

Archers (left-right) Lynn Manson, Claire Ladner, Bev Campbell, and Linda James display fine form at a target practice. ➡

Fencing Team: (left-right) Christine Tisdale, coach Gyula Kiss, Margaret Segal, coach Chris Barratt, and manager Diane Tearoe.

FENCING

Fencing is an increasingly popular sport on campus. The Women's Fencing team practiced weekly with the Men's team, coached by Gyula Kiss and Chris Barratt. Two members, Janice Shaw and Marg Segal, competed in the B.C. Fencing Championships in November, and two novices entered exhibition fencing in the W.C.I.A.U. tournament in February.

SYNCHRONIZED SWIMMING

The Women's Synchronized Swimming team practiced twice a week at Empire Pool and the Canadian Memorial Pool under coach Mrs. Diane Black. Managed by Nancy Bartlett, the girls entered competition with other Vancouver swimmers in November, and competed in the W.C.I.A.U. meet with teams from Western Canadian Universities. The team also competed in the B.C. Championships.

Mermaids Sherrill Wilson, Nancy Bartlett, Marilyn Thomson, Trine Hendriksen, Sharon McGee, Morrain Plant practice water ballet formations at Empire Pool.

Mary Iwasaki, Sheila Ledingham, and Elizabeth Quilliam push off at a practice in Crystal Pool.

SPEED SWIMMING

The Women's Speed Swimming team, coached by Linda Shore, started off a successful year by placing first in the Telephic Meet with ten other Canadian universities in November. Members of this winning team were Joni Lear, Sharon McGee, Mary Iwasaki, Alice Genge, Margie Lee, Sheila Ledingham, and Elizabeth Quilliam. The team was managed by Sheila Ledingham, and practiced twice a week at Crystal Pool. In February the team competed in the W.C.I.A.U. meet held in Saskatoon.

FIGURE SKATING

1960-61 was the first year on the campus for the Women's Figure Skating Team. The girls practised once a week at the Forum, coached by Jean Mathews, a former Western Canadian Champion. Manager Marg Crosland (left) is a triple gold-medalist, holding the Senior Ladies' Canadian Championship from 1958 to 1960. The team, consisting of Marg Crosland, Kay Faynor, Sharon Southworth and Linda Leslie, competed in the W.C.I.A.U. tournament held in Saskatoon in February.

Skaters Sharon Southworth, Marg Crosland, and Kay Faynor pose with coach Jean Mathews at the Forum ice arena.

GYMNASTICS

The Women's Gymnastics team practised weekly under the instruction of coach Jean Burgett. Managed by Pam Thomas, the team competed in the B.C. Championships held in Nelson in January, and in the Pacific Northwest Championships held in Seattle in February.

Members of the Gymnastics team practise in the apparatus room in the War Memorial Gym.

CURLING

The Women's Curling team completed a successful season by defeating the Universities of Alberta, Manitoba, and Saskatchewan, to capture the W.C.I.A.U. curling crown in Winnipeg in February. Coached by Charles Kerr, the girls practiced once a week at the Pacific Club Curling Rink. The team competed in the Burnaby Totemette in November, and the zone playdowns in January.

Above: Curling Team, backrow (l-r): Ann Sinclair, Amy Nuttall, Coach Charles Kerr, Karen Unruh; front: Lorna McCready, Genevieve Walsh, Diane McNaughton, Pat Chataway. The winning W.C.I.A.U. team, consisting of L. McCready, D. McNaughton, P. Chataway, and G. Walsh, is pictured at the lower left.

SKIING

The U.B.C. Ski team practiced three times a week at dry practices on campus, and travelled to Rossland for practices during the Christmas holidays. Coached by Mrs. Sandra Fraser, the team competed in the Western Canadian Championships in Vernon in January, in which Elizabeth Greene, former Olympic skier, captured the Senior Women's downhill and slalom events. In February, the team competed with skiers from the University of Montana, Washington State, the University of Idaho, and the University of Washington in the Pacific Northwest Intercollegiate Meet.

these studies never stop

In design shops and laboratories throughout the country there are hundreds of men and women whose studies never end. They are students of a fascinating force – electricity; people who seek out or create new uses and applications for electricity so that your life and your family's becomes even more comfortable, increasingly enjoyable. Each new use increases the value of electricity to you, yet the cost of power to you and your family goes *down*. Fact is while the average family today uses over four times as much electricity as they did twenty years ago, they actually pay *less* per kilowatt hour!

The end of another year has arrived, and, as always, with it appears the Totem. We sincerely hope it will be more than just another Totem to you. In response to many pleas, we have tried to make it "representative of this year." The ideas and efforts of the whole staff are presented in this book in the hope that each student at U.B.C. can find the pattern of his year in the many social and academic activities pictured. The long days of work, the times of utter despair, even the arguments are worth it if this aim has been accomplished.

So many people have been involved in the publication of the Totem, that to attempt to thank them all would be impossible. The whole staff has worked very hard, and has shown wonderful imagination in all the layouts. There are more pictures in this book than in previous years, thanks to the energetic team of photographers.

Apart from the actual staff, there are many others to whom thanks is due. It is obvious that without the great co-operation and patience shown by the clubs, teams, undergraduate society executives, and faculty, this book could not have appeared. Throughout the year the confidence and assistance of the Students Council, the understanding of Evergreen Press, and the coffee of Peter van Dyke have served as incentives.

It is hoped that this Totem, in accordance with the tradition of past editions will mean much in the future as well as to-day. We, the staff, could ask for no more.

Barbara Wallace
